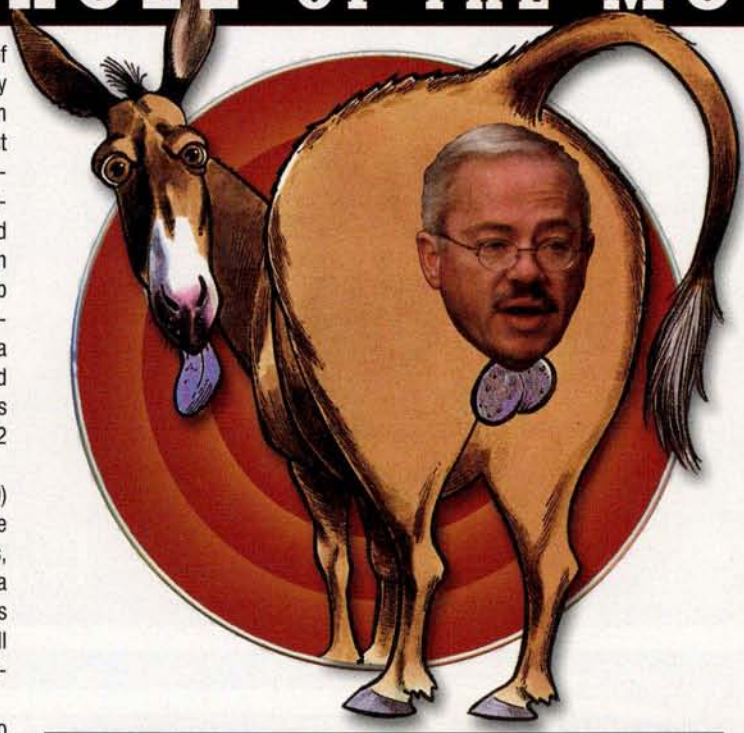
Bits & Pieces

ASSHOLE OF THE MONTH



BOB BARR

Much like a steaming bowl of blood and turds, it's nearly impossible to keep a spastic rectum down. As soon as its last fecal blast has been wiped away, the determined shit flume issues a new fusillade of greasy dysentery and noxious gas. Georgia Congressman and world-class guano cannon Bob Barr's perpetual grab for the slimelight has muddied U.S. politics, left a hemorrhoid on America's soul, and earned him repeat-offender status as HUSTLER's November 2002 Asshole of the Month.

Asshole alumnus Barr (May 1999) slithered onto the political stage with his 1994 election to Congress, quickly establishing himself as a grade-A shitheel. "Bob never throws a grenade when a nuclear bomb will work," quips Republican Congressional pal Mark Souder.

Butt-bomb Bob most prefers to lob offal logs, which unerringly cling to his own fingers. In Barr, the Almighty has crafted a perfect cautionary example of hypocrisy: A family-values cheerleader, Barr is currently on his third marriage. Barr rails against "abuse of power," yet has redrafted law to the benefit of his latest wife's business endeavors. A professed champion of minimal government intrusion, in 1998 Bullshit Bob thwarted a lawful Washington, D.C., ballot vote on medical marijuana. While a judge reversed this tactic, Barr vows to repeat it, should the people's will again run contrary to his conflicted moral vision.

Barr's loudest splash in the D.C. cesspool occurred during the Clinton impeachment fiasco, in which the precocious shit hurled the first dung clump. Barr hinged his initial volley on alleged Clinton campaign-finance violations. The claim failed to stick; Butthole Bob, however, was recently fined for taking $100,000 in illegal donations during his 1994 and 1996 campaigns.

After Monica Lewinsky reared her jizzy head, Barr switched gears, blustering, "This is about the rule of law. It is about accountability." If left unchecked, Clinton's fudging about consensual hummers would lead to a tyranny in which "a President could walk into your home at any time, and force you to accede to any demand, however unreasonable."

Barr's shrill histrionics were undercut when HUSTLER Publisher Larry Flynt presented evidence that the Congressman had himself withheld the truth about adultery while under oath. Barr's pulpit was further eroded by the revelation from his second wife that, despite his antiabortion chest-thumping, he had paid for her to void his child from her womb.

Barr, a self-proclaimed foe of wasteful government spending, continued his costly ax-grinding in January 2001. Fanning rumors of White House vandalism by outgoing Clinton staffers, Barr pushed for an "immediate investigation" by the General Accounting Office (GAO). Told four months later that the White House's condition upon the administration's exit was "consistent with what we would expect to encounter," Barr pressed the matter anyway. Thanks to his badgering, the GAO conducted a yearlong probe, spending an estimated $200,000 to tally $14,000 in damage, none of which was found to be worse than any other transition.

"Y'all are just making this up," Barr huffs when confronted with his profligate misuse of public funds.

Barr's latest bout of idiocy occurred in March 2002, when he filed a $30-million lawsuit against Larry Flynt, Bill Clinton and political strategist James Carville. Barr contends that Clinton, through Carville, leaked confidential files to Flynt to aid Flynt's reportage of Barr's two-faced tirade. Bob claims a "loss of reputation and emotional distress."

Typically, Barr offers no proof of his allegations, because no proof exists. Barr's malfeasance was uncovered by an independent investigation; he left a trail of turds, and Larry picked up the scent. If the Congressman subsequently suffered a loss of reputation, he has only himself to blame.

Bob Barr cloaked a mudslinging campaign as a defense of accountability, then sued because he failed to be accountable to his own standards. This should be a pinnacle of lowlife sniveling, but Barr shits harder. On the day that news of the suit broke, Bob was stumping for a bill that would limit noneconomic (a/k/a "pain and suffering") awards in medical lawsuits to $250,000, or 1/120th of what he seeks from Flynt, Carville and Clinton.

Barr doesn't have a legal leg to stand on; he's all Asshole.

FARTS IN THE WIND

Rita Wilson: Rancho Bernardo High School Assistant Principal Wilson was demoted after conducting a "thong check" at a school dance. Wilson lined up female students in view of their classmates and lifted their skirts to ensure they weren't wearing thong underwear. Rita says she was concerned that skimpy panties and suggestive dancing could cause sexual assaults; she should have worried that holding forcible peep shows with underage girls leads to being an Asshole.

Orlando Bethel: Alabama evangelist Bethel was asked to sing at his wife's uncle's funeral. Mourners were shocked when he took the mic and denounced them as "fornicators" and "whoremongers." MC Fuckwad further proclaimed that the deceased, who died of prostate cancer, had gone to hell. Bethel claims that he was conveying words "the Lord revealed to me," in turn exposing the Asshole in himself.

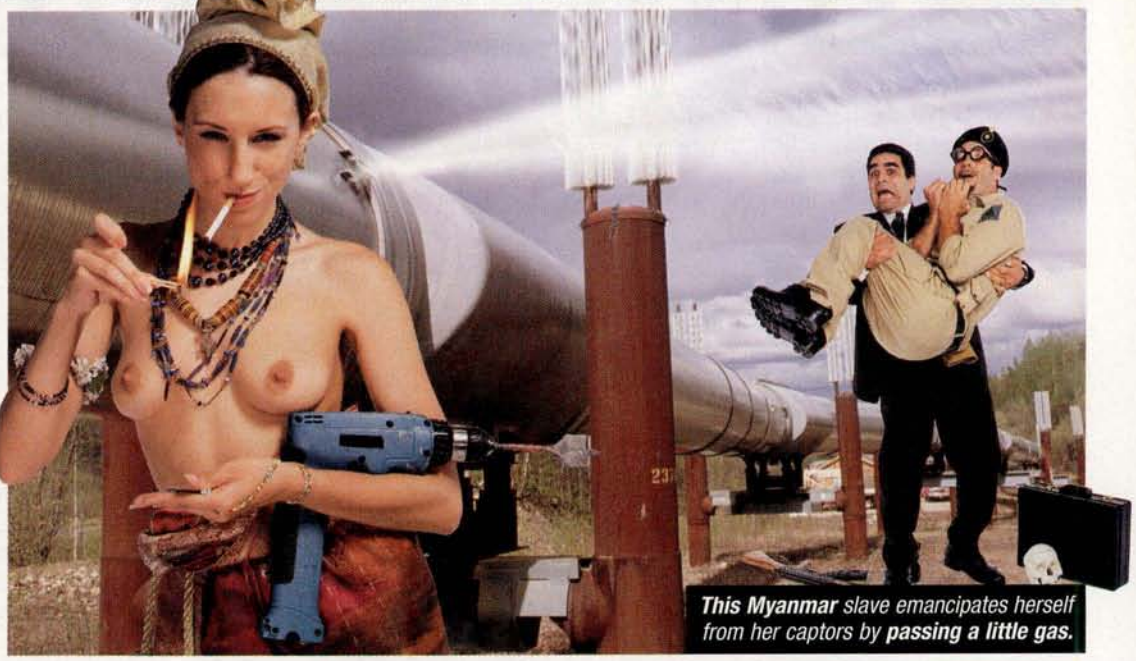
Reap What You Sue

Villagers in Myanmar are suing Unocal and its partners in California Superior Court, claiming the energy giant was complicit in human-rights abuses committed by Myanmar's military junta. A lawyer for the plaintiffs contends that the regime used inhumane slave labor "for the benefit of Unocal's project"—a natural-gas pipeline into neighboring Thailand. Unocal spokesman Barry Lane admits the abuses occurred, but maintains the company was "not partners with the military." Sounds like a lot of hot air.



This Myanmar** slave emancipates herself from her captors by **passing a little gas.

Tits Are a Terrible Thing to Waste

Pharmaceuti-Kill

Having a disease eat away your organs is bad enough. However, 29 states allege that pharmaceutical giant Bristol-Myers Squibb obtained false patents for breast and ovarian cancer medications, blocking the availability of cheaper versions for more than two years. States, hospitals and dying patients are forced to pay a markup of almost 30%. By putting profit before patients, Bristol-Myers Squibb—whose motto is "extending and enhancing human life"—makes the terminally ill suffer just a little bit more. No wonder the company is so knowledgeable about cancer; it really is their business.

KISS and Sell

Aging rocker Gene Simmons of KISS recently launched a magazine called *Tongue*, promising readers "sex, style and rock 'n' roll" just like every other magazine on the 7-Eleven rack. Famed pussy-licker Rosie O'Donnell took over *McCall's*, renamed it *Rosie*, and saw sales go down when she announced her lesbianism. As a professional courtesy, HUSTLER suggests that Israeli immigrant Simmons and cunnilingual Celt O'Donnell join forces and make two anemic publications a heavyweight contender.

HUSTLER has always pushed the limits. Sometimes, however, those limits push back. As funny as we might think some topics are, our attorneys occasionally recommend we not depict certain scenarios, jabbering on with legal mumbo-jumbo such as, "There are laws against it." If Larry's learned anything, however, it's that every law has a loophole. In order to grant our faithful readers all the hard-core action they crave, we have provided two columns of items that we can show individually, but not together. We're not saying you should, but you could simply fold the page where marked to create whichever perverse outcome you desire.

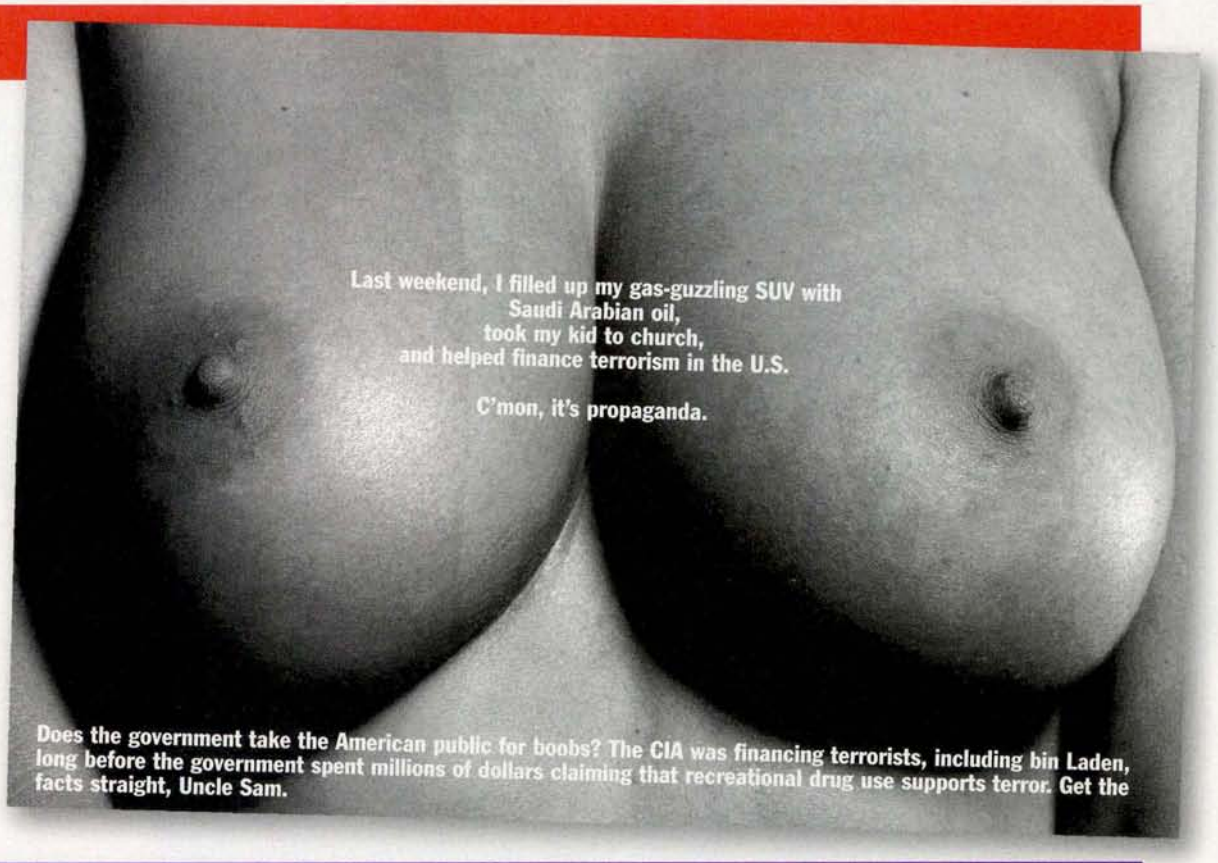
Go Blow

America's airwaves and newspapers have been bombarded with advertisements from the White House Office of National Drug Control Policy's National Youth Anti-Drug Media Campaign, featuring teenagers explaining how they financed terrorist cells by buying dime bags of pot. The campaign proclaims "Truth" to be "the Anti-Drug," yet suspiciously avoids mentioning the regional warlords, terrorists and puppet regimes that were financed through U.S. operations. Are they high?



Last weekend, I filled up my gas-guzzling SUV with Saudi Arabian oil, took my kid to church, and helped finance terrorism in the U.S.
C'mon, it's propaganda.
Does the government take the American public for boobs? The CIA was financing terrorists, including bin Laden, long before the government spent millions of dollars claiming that recreational drug use supports terror. Get the facts straight, Uncle Sam.

Baby Come Back?

I'm totally into Baby (Baby: Jungle Honey), one of the sultry Honeys from the August 2002 issue. Has she been in any HUSTLER videos? Also, does HUSTLER have any plans to release a "Porn From the Past" book? —A. C.
Allentown, Pennsylvania

We're afraid that Baby's foray into smut may have been a onetime occurrence. Word is that her boyfriend doesn't approve of her piss-spraying ways. At this time we have no plans to publish a "Porn From the Past" collection.

Perfect Pink

Domenica (Domenica and Teo Come Together, June 2002 HUSTLER) is great! I need to see her again. She's a perfect female specimen. Her great tits, cute ass and irresistible pussy drive me wild. I'm begging you guys to bring her back. If at all possible, shoot a couple of pictures of piss streaming from her delectable cunt. Thanks. —C. B.

Wendy Wish

I have a suggestion for Wendy (Beaver Hunt, August 2002 HUSTLER) from Salt Lake City, Utah: According to Beaver Hunt, you've already fulfilled most of your fantasies; so how about helping me out with some of mine? My first dream would be to see you fucked by a dozen cocks. Each prick would bang your holes raw, then spray you with a steamy coat of jizz. There's a million more ideas where that one came from, Wendy. —J. R.

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

Nice suggestion, J. R. HUSTLER's primary desire is to see nude pictures of our readers' wives, girlfriends and conquests. Go to page 126 to learn how to share your perfect piece with the rest of us.

I'm sitting here in this shithole of a fucking prison, trying to keep my sanity. I'm no rapist, snitch, faggot or scumbag, just a 100% true American. I'm writing to let you know that I've sampled all the smut mags in the U.S. of A, and HUSTLER is the best. Thanks for the great product. —J. W.

God Bless HUSTLER

I would like to commend your staff on an excellent Anniversary issue (July 2002 HUSTLER). The covergirl Kiwi (Kiwi: Slow Hand) was fantastic. Being a guy who believes that the world should be run by women, and that men should just be used and abused, I found Kiwi to be very appealing. I imagine myself lying on the ground, under a stream of the babe's piss. I'm then forced to lick her dirty orifices clean. I was also very turned-on by Ann from Baltimore, Maryland (Beaver Hunt). I hope the sexy 57-year-old isn't insulted,

A Big Beef

I weigh more than 300 pounds. It should come as no surprise that I found the letter in the September 2002 HUSTLER Dear Slut column titled "Chubby Humping" to be offensive. You describe the overweight as lazy, smelly and bad in bed. I work hard at a pizza shop and go to college full-time. None of the women I fuck complain about me; they just keep coming back for more. My dick is approximately eight inches, but I could please a woman with half as much, because I know what I'm doing. I am usually a big fan of Jeanna Fine's work, but this letter was just downright cruel. Don't judge people by their size, because good lovers and cool friends come in all sorts of packages. —R. K.
Chillicothe, Ohio

We reread Jeanna's response and concluded that she was a bit hard on our plus-sized friends. Our resident sex expert is usually a kind, understanding columnist. It's not like her to take cheap shots, resort to generalizations or take advantage of stupid clichés. There's only one explanation; bitch must have been on the rag. Rope a Dope

I'm writing in regard to your story Twelve Rounds in Hell (August 2002 HUSTLER) about Tony Ayala Jr. You claim that this "upstanding citizen" was undefeated after 27 fights. Your article is so full of crap, it should have been in the Flies and Shit section. —R. N.

We'll file your letter there too, R. N. On June 17, 1979, Danny Lopez fought a boxer named Mike Ayala, not Tony, who is the subject of our story, in San Antonio and knocked him out. Next time, check your facts before you start spreading shit.

BORN TO BE RILED

HELL'S ANGEL AND AUTHOR SONNY BARGER UNLOADS ON BIKERS, COPS AND THE HISTORY CHANNEL.

INTERVIEW BY **JOHN ALBERT**

PHOTOGRAPHY BY **NATHANIEL WELCH**

Ralph "Sonny" Barger is a founding member of the influential Oakland, California, chapter of the **Hell's Angels motorcycle club**. For most of the Angels' notorious life span, Barger has been regarded by many, including law enforcement, as the organization's unofficial figurehead. Still riding at 64, after 13 arrests and a battle with throat cancer, Sonny is now a successful author. His autobiography, **Hell's Angel**, became a worldwide best-seller, and a second book, titled **Ridin' High, Livin' Free**, has just been published. A film version of his life is in the works. HUSTLER spoke with Sonny at the film's Hollywood production office, under the watchful eye of Sonny's lawyer and another Hell's Angel.

HUSTLER: *When you meet people at book signings, how do they know your personal contribution to motorcycle culture?*

BARGER: I think the majority of the people that know me and my name know it from the History Channel. They did a thing on us about three years ago for the 50th anniversary of the club. It's probably the best thing ever done on the Hell's Angels. It was really a positive thing.

HUSTLER: *The first I heard about you was seeing the film Gimme Shelter [about the Rolling Stones' ill-fated 1969 show at Altamont].*

BARGER: Then you know it was self-defense. I mean, 'cause you can actually see the guy [Meredith Hunter] shooting the gun in the film. The cops confiscated the film because it showed the Hell's Angel stabbing the guy, but they never even realized it showed Meredith shooting the gun first. The cops had the film, and they thought they were gonna convict the Angel on that; they never stopped to look at it. All they wanted was the stabbing part. We didn't even know the film was being made. They surprised us by bringing it into court.

HUSTLER: *Was the Hell's Angel convicted?*

BARGER: He got arrested, but he was found innocent. They said that, in the movie, all the stab wounds were down, and the one that killed him was up. Somebody else stabbed the guy after [the Hell's Angel] got done with him.

HUSTLER: *People often refer to that as the night the '60s ended.*

BARGER: That's bullshit. It was just another night in our lives. The Stones got just what they wanted. They wanted the crowd to be apprehensive. It's a bad thing to say, but they had used the English Hell's Angels as bodyguards. Not making anything less of the English Hell's Angels at the time, but the Stones were just not ready for California Hell's Angels.

HUSTLER: *What looks the scariest in that film is the audience—those fat, naked people on acid.*

BARGER: The crowd was completely out of control. There were all these cops there in plain clothes that stayed out of it. They didn't want to get involved. When shit started happening,

they just got out of the way.

HUSTLER: What were the repercussions after Altamont for you and the club?

BARGER: The people that seen it knew what happened, and they didn't give a fuck. I think most of them were happy the Age of Aquarius was over. Like I've said ever since, "The Rolling Stones sing well, but they have no personality."

HUSTLER: In the film, they come across as prima donnas.

BARGER: Except they didn't get to play that shit with us. They forgot that, where we go, we're the show.

HUSTLER: Why do you think law enforcement is scared of you?

BARGER: I think that one reason is because there's so many of us, and we have so many friends, and we've never taken a political stance. I think they're afraid that, if we ever do, they've got a problem. You see all these people who go out and lay down in the street to protest something, and cops come and pick 'em up and drag them away by the hundreds. What happens if there were thousands of us out there, and we said no, then they come to drag one of us away? They'd get their ass whipped, and they know it. Now they're trying to say we're terrorists.

"Guys like that Howard Stern and the way they talk to people—people talk to us like that, and we knock 'em out."

HUSTLER: There seems to have been a consistent effort by law enforcement to get you guys.

BARGER: The Hell's Angels were the first to beat the RICO Act. Up until we beat it—although I shouldn't say we beat it, 'cause we weren't guilty; we were found not guilty—anybody that was arrested for it either pled guilty or went to trial and was found guilty. After we were found not guilty, people like Gotti and them started saying, "Why should we plead guilty?" and they started fighting it. We figured they spent $15 million trying to prosecute us on that. And like I said, "If you just give us the $15 million, we'll promise to be good." (laughs)

HUSTLER: Did you write your first book to set the record straight?

BARGER: The one thing that's really good about people in the club and a lot of the other bike riders is that most of us are stand-up people, and we're responsible for our own actions, which the majority of the world isn't anymore. And we're polite to people, believe it or not, and a lot of people are not. People are really rude to other people. And that's why I think some people fear us because, when we run into one of them rude motherfuckers, we fuck 'em up. And they don't know why they got fucked up. They really don't. But a guy will come in and step on your toes, spill beer on you and push you out of the way and tell you to get the fuck out of his way. You knock him out and, when he wakes up, he calls the cops. I read a newspaper article that said how rude Americans are. It's really terrible, but that's how people are. And we don't accept that. People want to make fun of us and joke—we don't accept that either. You take guys like that Howard Stern and the way they talk to people—people talk to us like that, and we knock 'em out. I mean, maybe it's the wrong thing to do, taking physical action or violence, but it teaches them not to do it again.

Even Nowhere, Arizona, has badasses.

HUSTLER: This new book has a lot of humor in it. Do you think people are surprised by that?

BARGER: Yeah, but everything's funny. No matter how serious it is when you're doing it, when it's over with, it's fucking funny. We were in the elevator when we were on trial, and they were bringing us down to the courtroom floor. They would put four of us in there with two cops, and we would always bounce the elevator. And this marshal says, "Look, man, I live in fucking Fresno. The highest building there is a phototomat. Could you please not do that?" So we said, "Sure," and we started jumping harder, and suddenly the fucking cable breaks, and the elevator starts to fall. The brakes finally go on, and we're stuck there between floors. That fucking cop—we thought he was going to have a fucking heart attack.

HUSTLER: After you wrote the last book and then this one, has anyone said, "Hey, Sonny's sold out"?

BARGER: I think the majority of the people think I had it coming. I think I was lucky. In life, timing is everything. I mean, you got a singer that's the biggest singer in the world, and you got a singer that's down in the dumps, and there probably ain't that much difference. What happened with this book, I don't know. But what I do know is that it came out at the right time and the right place. If it had come out five years ago, people would have said, "Fuck that thing."

HUSTLER: What is your life like now?

BARGER: I live in Arizona. I live sort of in the desert. I got an acre and a half; I got three dogs, four horses. I'm trying to sell a horse this weekend. I wake up and feed horses and rake horseshit, then go to the gym.

HUSTLER: How did you decide to live in the Arizona desert?

BARGER: I was in prison on a conspiracy charge, and I ended up in Phoenix and, man, it's a brand-new federal institution. It's out in the middle of the desert. I live five miles from there right now. I bought a house right next to it. The weather is so good. When I got out, I told the club, "If we ever get a chapter in Arizona, I'm moving there." When the Dirty Dozen became Hell's Angels, I transferred.

HUSTLER: Does it surprise you when—

BARGER: (Interrupting) Nothing surprises me.

HUSTLER: I just meant the fact that you live in Arizona, and you're a best-selling author.

BARGER: Everybody thinks I've retired, but I put 61,000 miles on my bike last year.

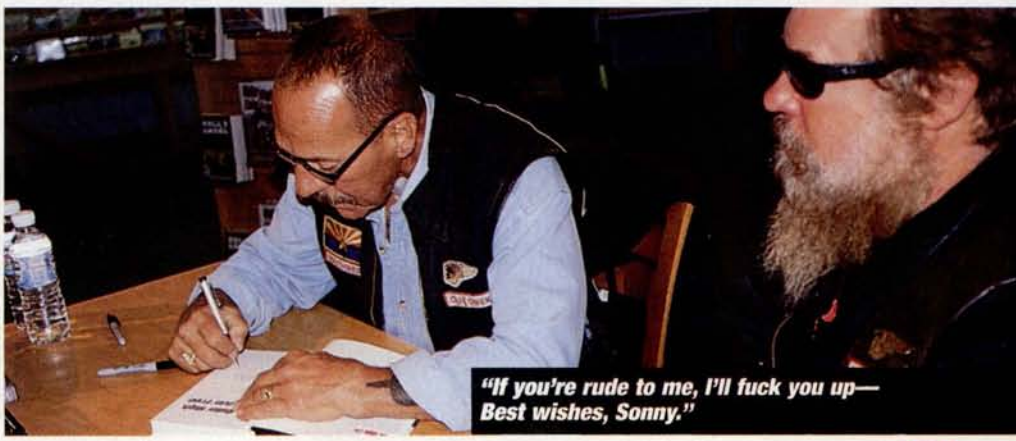
HUSTLER: So you're not exactly playing golf?

BARGER: I don't play golf.

HUSTLER: But life is good?

BARGER: We started out as just a group of guys that liked to ride motorcycles and get in some fistfights, and now that's really what we are again, just a group of guys that love to ride motorcycles and get in some fistfights.

(Note: Several days after this interview was conducted, Barger was signing books in Laughlin, Nevada, during an annual biker festival. A few hours later, a rift between the Angels and rival motorcycle club the Mongols erupted into violence, leaving two Angels and one Mongol dead and many on both sides hospitalized. Barger claims to have been asleep at a nearby hotel when the brawl occurred.)



"If you're rude to me, I'll fuck you up—Best wishes, Sonny."

Justice Fails

In Utah, if you were raped or molested you have only four years from the date of the complaint to press charges. If the incident occurred, as it did in my case, before 1992, when the laws were different, you cannot even file charges. Ironically, the FBI raided my dad's house and turned up a journal of his from the years when he ruined my life. The agents told me it was the sickest thing they've ever read. After all these years, I have documentable proof, but can do nothing. I have no money for a lawyer, and the FBI, county attorney and police say that they are powerless to help me. Dear Slut

Jeanna Fine Tells the Fucking Truth

Come Shy

My parents were religious fanatics. I was taught that sex is wrong, and was forbidden from dating. At 18 I rebelled, leaving home for a 12-year sex spree with strippers, porn actresses and escorts. During all this time I never achieved an orgasm. By the end I couldn't even sprout wood. For the past ten years, I've sworn off sex. I still date, but always back off when things become intimate. Has my upbringing doomed me to never enjoy sex, or is there some way I can break out of my slump? —K. T.
via Internet

Your solution lies in counseling. Talk to your priest. Clear up your issues with the church, then go see a traditional counselor to exorcise whatever remaining guilt you have. Working your issues out in those two areas should help you achieve the orgasms God wants you to enjoy.

Violator in Training

I haven't been laid in a coon's age. I've tried every technique known to man, and none of them work. Based on your advice, I even tried being myself, which was the biggest fiasco of them all. I hate to say it, Jeanna, but I'm afraid that my growing frustration toward women is morphing into something scary. Once or twice, I've even contemplated rape. How do I stop this frightening spiral? —S. K.
Longwood, Florida

You are not alone. There are many people just like you who have all types of troublesome issues regarding sex. Most times, people don't seek answers to these hard questions because they're afraid of what they might find. What's lurking in your head is nothing compared to the horrible consequences of rape. I beg you to pick up the phone, call a crisis hotline and find some help.

Pink Noise

I love to catch a buzz from my vibrator. Every night I settle into bed with my battery-powered love machine and fuck myself senseless. Unfortunately my new apartment has put a crimp in my style. The walls are paper-thin, and my neighbors complain that they can hear a strange mechanical sound coming from my pad. I've tried wrapping my vibe in a towel, but nothing seems to stifle the noise. Are there stealth vibrators or silencer attachments on the market? —C. J.
Murrysville, Pennsylvania

Try relocating to a different room. A change of scenery may solve your noise problem and, as a bonus, add some spice to your masturbation ritual. If moving away from the thin walls doesn't help, contact a quality adult-novelty store, such as Good Vibrations in San Francisco or HUSTLER Hollywood in L.A., San Diego and Ohio, and ask for their quietest vibrator.

The Gag Factor

I suffer from a chronic sore throat. My doctor put me on antibiotics, but I don't think they'll work. I have a suspicion that deep-throating my lover's rod may have injured me. Am I being a sexual hypochondriac, or have you experienced this kind of discomfort as a professional cocksucker? —V. P.
Simi Valley, California

In all my years of smoking dick I've never injured myself. I have a friend who was so desperate to deep-throat that she tore the opening to her windpipe with her boyfriend's cock. See an ear, nose and throat specialist about your problem. Be completely honest with them about your sex life. Your doctor needs to know what to look for. Don't worry about embarrassment; just provide your doc with all the information he needs to make a good diagnosis.

Path of the Swordsman

What's the best route for an amateur male porn star to make a name for himself? Since HUSTLER doesn't print "one for the ladies" in Beaver Hunt anymore, do you know of any other contests I can enter or jobs I should seek to kick-start my adult career? —R. V.
Hampton, Georgia

The line to be a porn stud stretches far and isn't really moving. Try submitting your pictures to a women's porn magazine. If possible, make a name for yourself as a reliable male stripper. Join the crowds of mooks in big gang-bang and *bukkake* videos. None of these routes offer any guarantees. The only tried-and-true way for a guy to break into the biz is to ride in on the ass of a young starlet.

Sweatin' It

Directed by Andre Maddness.
Starring Lola, Faith, Heather, Candy Estefana, Rhiannon Bray, Brandon Iron, Alex Sanders, Jay Ashley, Mickey G. and Pat Myne.
Videocassette: Kick Ass Pictures Inc.

Porn babes ostensibly pump rods and feel the burn in *Sweatin' It.* The sight of the female form, wrapped in Spandex as it jumps, twists and stretches its way through an aerobics routine, is a beauty to behold and a pleasure to whack off to. Unfortunately, director Andre Maddness and writer Mark Kulkis stumble in their attempt to re-create this voyeuristic pleasure in the porn milieu. The cute Heather barely breaks a sweat while she fiddles with the workout equipment. When she opens her mouth to answer game-show-style questions, viewers wish the dumbbell's gob would be silenced by the same big black cocks she swears she'd never touch. Eventually Jay Ashley shuts the ditz up with his Caucasian schwanz. Ashley pumps the listless babe before spurting a glob of protein drink on her tits. *Sweatin' It* lackadaisically strolls through what could have been a high-impact jerk-out.

—Nicholas Veridian

Love Muffins

Directed by Jim Enright.
Starring Joelean, Alex Foxe, Shelby Myne, Jezebelle Bond, Kylie Ireland, Taylor St. Claire, Randy Spears, Joel Lawrence and Steven St. Croix.
Videocassette: Wicked Pictures.

When Joelean wants to open a bakery, the blond, Southern pixie and her brunet fuck buddy, Alex Foxe, savvily share their *Love Muffins* with venture-capitalist mooks. The resulting business relies on a secret recipe for baked goods that instantly make consumers uncontrollably horny. The conceit is dumb, but thanks to a team of expert video sluts including Taylor St. Claire and Shelby Myne, the muffin-fueled ruts provide healthy servings of stroke fodder. Foxe devours Joel Lawrence's chubber during a prolonged boff. Lawrence becomes so worked up that he can't even aim his batter blast into her mouth from two inches away, depriving the comely tart of a tasty treat. A threesome featuring Joelean, Shelby Myne and Randy Spears, after which Myne licks Spears's spunk off of Joelean's tummy, provides the icing on *Love Muffins'* pound cake.

—C. T.

Freak on a Leash in L.A.

Directed by Rex Ryder.
Starring Kid Vegas and an uncredited cast of fuckers.
Videocassette: Rex Ryder Entertainment.

Kid Vegas is a spazz; that's not news. In fact, *Freak on a Leash in L.A.* offers precious little insight into what makes the world's worst pornographer tick, and thank God for that. The less time spent feeding Vegas's ego, the more attention can be paid to fucking, which director Rex Ryder delivers in spades. Vegas picks up a tramp in the Hollywood hills and takes the wastrel back to his compound, where he dives straight for her snatch and sloppily munches her mound. Vaginal secretions and saliva ooze copiously from the babe's hungry cunt. When Vegas receives a page from another of his "whores," he excuses himself to make a phone call. A long string of she-jizz drools from his chin, but he barely notices. Viewers, on the other hand, will have a hard time overlooking Vegas's ever-annoying personality. *Freak on a Leash in L.A.* is full of fuckable trollops who'd look much better without Vegas crammed in them.

—N. V.

Nice Guys Finish Last

Directed by Ren Savant.
Starring Raylene, Blair, Chenin Blanc, Vince Vouyer, Eric Everhard, Cheyne Collins and Kyle Stone.
Videocassette: Vivid Video.

Fans troubled by reports of Raylene's departure from the jizz biz will be happy to know that there's more of her to love in *Nice Guys Finish Last.* Thanks to an apparent diet of linguini and white clam sauce, there's plenty of the doughy diva to go around in the three fuck scenes she serves up. A sweaty drilling from Eric Everhard in a gas-station restroom plumps frankfurters big-time. While Raylene slobbers on Everhard's pud, Vince Vouyer plunders support slut Blair's ginch in the adjoining mini-mart. The sinewy, young redhead drains Vouyer's nut sac, displaying the type of cheerful enthusiasm for jizz that Raylene rarely musters these days. Raylene's dykefest with Chenin Blanc generates a few sparks, but for the most part the sperm-burping superstar seems to be marking time before bidding the industry farewell. It looks like Raylene was done with on-camera boning long before she wrapped up *Nice Guys Finish Last.*

Lady Fellatio: In the Dog House: *Daisy knows how to stay in her master's good graces.*

The Real Deal Amateurs: *"Oh, shit, she's reading my mind again."*

Lady Fellatio: In the Dog House

Directed by Mason.
Starring Flick Shagwell, Layla Jade, Chantz Fortune, Katie Morgan, Miss Arroyo, Michelle Raven, Friday, Samantha Sterlyng, Ryan Meadows, Terry Hendrix, Justine Romee, Calli Cox, Bella Donna, Kaylynn, Daisy Chain, Mia Domore, Lena Ramone, Gino Greco, John Strong, Pat Myne, Kyle Stone, Tice Bune, Trevor, Cheyne Collins, Tyler Wood and Mike Metropolis.
Videocassette: Elegant Angel.

There are a million ways to suck a cock, and *Lady Fellatio: In the Dog House* runs through just about every method. Flick Shagwell gobbles her assigned dong in public, on an apartment balcony. Hapless gardeners trim the trees below as Flick pumps jizz onto her own face. Justine Romee takes palate-cleansing breaks to lick ass after every taste of prick. Bella Donna shares her joint with Calli Cox, before hogging all the nut scum for herself. Kaylynn slurps tool in a car, whereas Daisy eats dick in a hot tub. The accented (probably cockney) Layla Jade talks dirty as she huffs pud, while Samantha Sterlyng simply shuts up and sucks. Chantz Fortune milks the rod onto her enormous chest sacks, while Friday lets the goo drip from her chin to her crotch. *Lady Fellatio: In the Dog House* digs up infinite oral possibilities. **—N. V.**

The Real Deal Amateurs: Real Naughty Wives and Girlfriends

Directed by anonymous.
Starring Kelly, Michelle, Gina, Anna, Amanda, Alec, Johnny, Mike and Michael.
Videocassette: BB Entertainment.

The Real Deal Amateurs: Real Naughty Wives and Girlfriends reveals the secret passions of America's average folk. Although these ladies who dream of being violated on video are fairly attractive, their erotic imaginations are limited. Pretty golden girl Kelly and her man, Alec, dutifully hump on a squeaky bed before the dude splooges on his towheaded charge's belly. Amateur? Yes. Strokable? Kind of. Mature cockhound Michelle displays the most creativity, plugging a double-ended dildo into her cooch and dumper to the delight of her mullet-headed pal, Johnny. The leathery lass with inflated jugs keeps the toy in her snizz while Johnny pumps her bung. Michelle later returns to lez out with the less-than-gorgeous Anna. The rest of the couples in *The Real Deal Amateurs: Real Naughty Wives and Girlfriends* are real, but not particularly naughty. **—C. T.**

Bangin' in the Hood

Directed by uncredited.
Starring Black Berry, Pebbles, Alex B., John Janiero, David Kost, John Moore, Antonio Drian, Dennis Conrad, Will Ravage, Mike Stallion and Jason Amalfiz.
Videocassette: Metro Inc.

Bangin' in the Hood hooks up a gang of everyday mooks with a pair of Nubian hoochies. Black Berry backs her thang up onto a park bench, where she listlessly shuffles through a deck of dirty playing cards. "I wish I had a real man," the big, bad mama moans. Black Berry's desire is fulfilled when a crew of porn every-dudes makes the scene. The gang politely invites the lonely babe back to their place, where even more average Joes await. Soon, Black Berry has more groin meat than she can handle. Joints jockey for position as the cockhound gobbles one prick after another. Guys line up to bang her luscious ass, then form another line to spatter her ebony skin with whaz. The second and final scene, with the better-looking Pebbles, plays the same: Nice guys, lonely girl, polite gang-bang, pop, the end. *Bangin' in the Hood* plays more like *Nappin' in the 'Burbs.* **—N. V.**

Brett Rockman, M.D.

Directed by Thomas Zupko.
Starring Veronica Caine, Lea DeMae, Olivia Saint, Brooke Hunter, Dyn-A-Mite, Sindee Williams, Michelle Raven, Brian Surewood, Mr. Pete, Don Hollywood, Burke and Dick Nasty.
Videocassette: Extreme Associates.

Thomas Zupko is reportedly retiring from the director's chair, and *Brett Rockman, M.D.* is a fittingly twisted swan song from the porn auteur who knew no fear. What other smut-meister could so aptly illustrate the nightmare of an abusive childhood as Zupko does with his shots of a morbidly obese and toothless Sindee Williams fucking a raw chicken? Inspired by the true story of Brett Rockman, who once wandered past a medical school, the flick revels in its namesake's violently psychedelic sexual desires. The vid also benefits from the sultry work of Veronica Caine, Olivia Saint and Lea DeMae, who look great no matter what humiliations are heaped on them. There's the usual array of gross-outs, including Dyn-A-Mite barfing after an overly aggressive blowjob, but *Brett Rockman, M.D.* is the ideal prescription for the perverted sicko. **—C. T.**

Sport-Fucking

High Points in **Athletic Smut**

Recently released by Video Team, *Skate Trixxx* features as much action on the street and ramp as in the sack. The Inari Vachs-hosted video featuring Jenna Haze, Dee, Calli Cox and Kianna isn't the first stroke tape to pair sports and sex. *Erotic Entertainment* delivers the score on similar jocks-and-box blue-screen efforts.

Debbie Does Dallas (VCA Pictures): In the title role of this 1978 classic, Bambi Woods leads a squad of wholesome cheerleaders down the cum-stained path to whoredom. Athletically challenged porn viewers often relate to the dorky character who dreams of being a football player so he can nail a cheerleader.

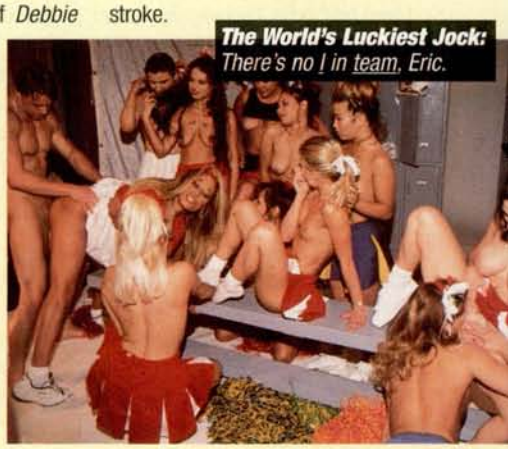
Action Sports Sex (Vivid): "Extreme" sports fill the gaps between the fucking in this gonzo offering from director Robby D. The anal-heavy line went 13 volumes and featured outré sports from jujitsu to bodysurfing.

The World's Luckiest Jock (Vivid): This reverse gang-bang follows in the footsteps of *Debbie Does Dallas* by pitting football stud Eric Everhard against 101 cheerleaders. The concept was sound, but once the gorgeous, first-string starlets were screwed, the viewer and Eric were left with 96 butt-ugly benchwarmers.

Shane's World #12: Gone Snow Boning (Odyssey Group Video): Shane, by then retired from hard-core performance, drafted J. R. Carrington, Brittany Andrews and Petra to hit the slopes for this snowboarding-themed fuckfest.

Action Sports Sex: *"BMXXX. Now that's clever."*

Olympic Fever (Arrow Productions): Russian spies send agents to find out how America's best swimmer is miraculously cutting seconds from her lap times. Classic porn faves Seka and Candida Royalle teach the Commies that winning's all in the stroke.



The World's Luckiest Jock: *There's no I in team, Eric.*

Deep Inside Julie Meadows: *"That's strange. They feel like chicken."*

Amateur Angels #2: *Tawny earns her wings.*

The 4 Finger Club #20: *Where do we sign up?*

Deep Inside Julie Meadows

Directed by Veronica Hart.
Starring Julie Meadows, Billy Glide, Evan Stone, Herschel Savage, Alec Metro and Jack Hammer.
Videocassette: VCA Pictures.

Deep Inside Julie Meadows seeks to probe the velvety depths of a XXX starlet. The blond vixen proves herself to be well-spoken in the interviews that buffer the actress's greatest bangs. The screws themselves show Julie to be even more communicative while on her back. Meadows and Evan Stone enjoy a chatty fuck on a couch. The pair spew over-the-top pillow talk at each other as their privates converge. Julie's ass-length, blond hair bobs hypnotically as her can bounces on Evan's tool. "Oh, yeah. Pound it, baby. Come on," Meadows sarcastically ad-libs. Stone can barely keep from cracking up. Later, the bunny-faced nymph discusses her early experiences with anal sex, which segues nicely to one of the starlet's first onscreen attempts at sodomy. While Meadows seems to enjoy fucking, many of these boinks are by the book, and only one ends with a decent facial. *Deep Inside Julie Meadows* only scratches the surface. ***—N. V.***

The 4 Finger Club #20

Directed by S. Taylor and Andre Maddness.
Starring Jenna Haze, Kylie Wilde, Avy, Desert Rose, Nikki, Natasha, Jewels, Autumn Austin, Katie Morgan and Avery.
Videocassette: New Sensations.

The main frustration of watching the various tarts in *The 4 Finger Club #20* writhe and squeal is that it becomes painfully clear that they would rather fuck a machine than you, John Boy. Each of the rug-munchers goes for a ride on the notorious Sybian, essentially a high-tech dildo powered by the engine from a Shelby Cobra. After a fierce session of finger-fucking with Katie Morgan, 19-year-old Nikki climbs onto the Sybian for a spin. Her tiny mind is completely blown as the buzzing contraption thumps her clit into oblivion. Fans of sapphic romps won't want to miss Desert Rose and Autumn Austin going all-out with an arsenal of assorted toys, but the routine of every girl rolling her eyes to the back of her head after climbing onto the machine eventually makes *The 4 Finger Club #20* too repetitive, even for a stroke flick. ***—C. T.***

Amateur Angels #2

Directed by Luc Wylder.
Starring Tawny Roberts, Angel, Sandy Knight, Jennifer Steele, Nefertiti, Meriesa, Ricky, Colt Steele, Jay Ashley, Chris Cannon, Julian St. Jox and Dale D'Bone.
Videocassette: Adam & Eve Productions.

The sluts in *Amateur Angels #2* don't fuck for free but, then again, they aren't exactly winged seraphim either. Despite their paid status, these newcomers are fresh and nasty enough to render such details irrelevant. Tawny Roberts, now a VCA contract girl, porks her boyfriend, Ricky. The blond sylph's tiny titties jiggle as much as their diminutiveness allows when Ricky lifts her leg and bangs her snatch from behind. To cap the scene, the dude spurts an orphanage worth of his sperm into Tawny's twat. The porn newbie spreads her neon-pink lips, allowing a stream of jizz to dribble out of her cooze and down to her puckering shitter. Roberts stands and spreads her well-fucked honeypot wider, trying to scoop more of the splooge out of her muff. From below the camera documents a string of cum drying across her ass crack. Heavenly hardcore from top-shelf talent makes the inaccuracies in *Amateur Angels #2* forgivable. ***—N. V.***

Hot Letters

Crack of Dawn

Marriage has an upside. If you want pussy when you wake up, there it is. Sometimes you don't even have to roll her over. My wife, Lynn, is accommodating and gorgeous, to boot; she's 28 and looks like Renée Zellweger. But I still wonder if I settled down too early. I teach at a private girls' school, and some of those just-18 seniors fuck better than Lynn ever could.

For instance, there's Dawn, a dirty-blond troublemaker who isn't exactly dumb, but she won't be attending the college of her choice either. What Dawn lacks in brains she makes up for in wet snatch. The tempting young lady ekes out passing grades from her ability to self-lubricate at will.

I know when Dawn is bored with my sixth-period American history class. The other girls can tell too, because her eyelids droop and the scent of aroused youth fills the room. When I dismiss the class, I can hear Dawn's slobbery pussy lips squish together under her uniform skirt as she walks. Now and then a telltale trickle of viscous juice runs down her leg and comes to rest on her Mary Janes. A slightly damp triangle graces the back of her skirt. None of her peers seem to mind; I gather she's quite popular among the 18-plus crowd.

One afternoon last month, Dawn daydreamed herself greasy instead of completing a quiz on the Civil War. At the end of the period, she hadn't even written her name on the test.

To make up the grade, the unusually juicy teen stayed after school, broadcasting her intimate stink to my empty classroom and licking her pen provocatively instead of working. Something about the slackness of Dawn's jaw and the vacancy in her eyes made me want to grab her ears and fuck her skull into sentience.

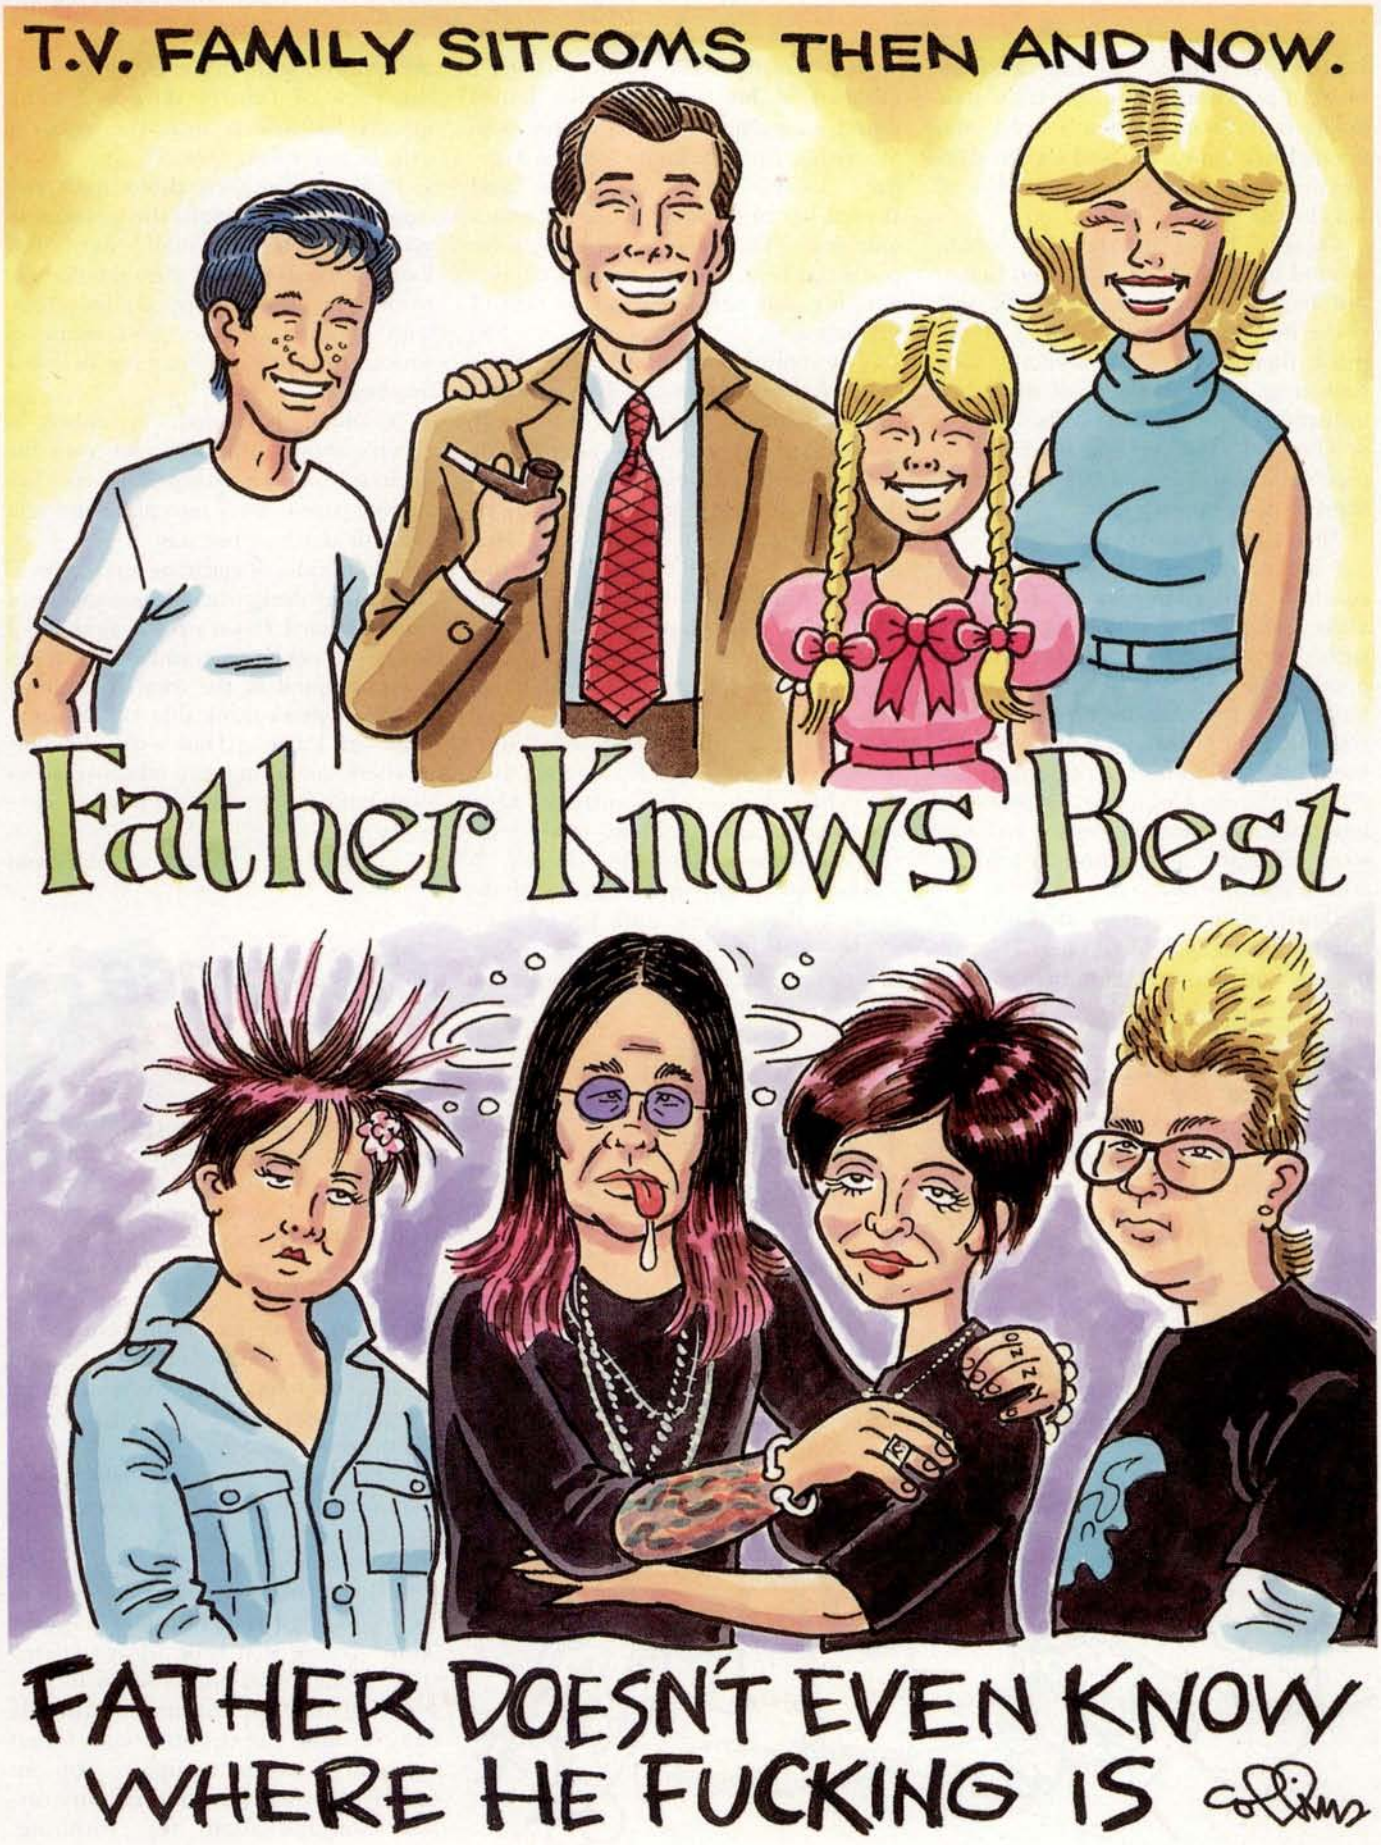
I locked the classroom door and drew the blinds. Dawn smiled, as if she'd been waiting for me to make a move. Considering the shiny smear she left on her desk chair as she stood, I'd probably been slower to act than she would have liked.

I leaned back against the desk, and Dawn leaned into me. Grabbing the sodden tramp's shoulders, I pushed her toward the floor until her honey-colored hair was level with my zipper. When the young slut opened my fly and extracted my tumescent member, I saw an expression of concentration cross her face for the first time since she enrolled in my class.

Dawn's brow furrowed as she silently determined how much of my big dick would make her gag. Not stupid *per se*, merely specialized.

I poked the tip of my cock into

She opened her maw wide and let me slam my throbbing dong against the back of her throat.



T.V. FAMILY SITCOMS THEN AND NOW.
Father Knows Best
OZZY
FATHER DOESN'T EVEN KNOW WHERE HE FUCKING IS

Dawn's winker was well-lubed by her own poon drippings. I grabbed the back of her skirt and hammered balls-deep into the rubbery grip of her sphincters.

Dawn's pale cheek, painting a check mark of pre-cum, then grasped the hair at the back of my student's head. She opened her maw wide and let me slam my throbbing dong against the back of her throat.

Gamely, Dawn managed to inhale around her gag reflex. I allowed her to put her head back momentarily and swipe her mouth over the end of my prick, then rammed the student's face back over most of my shaft until her upturned chin tickled my balls.

The knob-bobbing cutie felt my scrotum tighten and forced her skull backward to disengage.

"Put it in?" Dawn mewled.

I shoved the girl to the ground and reached under her skirt. I pulled aside her panties, which were soggy with her overly abundant cooter juices. After briefly probing Dawn's tight pussy with my finger, I eased my cock into her fuckhole. The sensation was indescribable, but shoving my dick up the neck of a warm water balloon might come close—if the balloon were oiled and as fragrant as a high-school senior's twat.

Dawn's squishy mound lifted upward into my crotch as I banged her. The wet panties and exposed flesh made loud *urp*ing noises with each thrust. I grabbed at her hips, but my hands found no traction on her slippery skin. Searching for dry land, I slipped my mitts under her white blouse and shoved her bra upward from her maidenly titties. The soft cones of her areolas puckered beneath my grip as I rubbed her tiny, stiff nerps against the skin of my palms.

The volume of the horny teen's pleasured squeals rivaled the *urp* noises of our fucking. Dawn's normally passive, pretty face was alight with passion, her open-eyed grin broadening, then relaxing, with each surge of her swampy groin into mine. Her cunt-hole became more elastic and our pistoning grew splashy. The student's wet skirt flapped around her slickened thighs.

My strokes lengthened until I lost my bearings in the teen's slobbery twat and backed my tool out completely, ramming the tip against her drenched asshole by mistake. Our eyes locked, and the blond missy hurriedly flipped onto her knees. I worked my thumb into Dawn's asshole to test the waters and found her winker well-lubed by her own poon drippings. Once I'd carefully replaced my thumb with my cock, I grabbed the back of Dawn's skirt and hammered balls-deep into the rubbery grip of her sphincters.

Before her shithole dried out, Dawn came. Not surprisingly, the girl was an ejaculator. Her unusually wet pussy loosed a small puddle onto the floor in front of my desk. I popped a literal ass-load of cum into her butt, some of which trickled down her leg before I finished.

"C-plus," I gasped. I dabbed at Dawn's shiny, dripping crack with the underside of her damp skirt, slid her spongy panties back into place and sent the little dope on her way.

The puddle of ejaculate left a stain in front of my desk; when it's muggy out, I can still smell Dawn's pussy funk. As I write, she's close to graduating and has been accepted at the local community college. I don't think that Dawn's incapable of learning; but with so many teachers answering her olfactory ad to swap cunt for grades, she'll never have to try.

Clearance Rack

I managed to rip my pants on a nail inspecting a job site, just before I was due at a dinner with my ex. We'd been separated for a year and were ready for an amicable divorce. Not having time to run home, I stopped at a jeans store on the way to the restaurant. The place was empty, save for a twentysomething, dark-haired salesgirl with tremendous jugs. Her tits registered in my mind before her face, but I recognized the young lady as Miranda, a kid from my old neighborhood.

"May I help you?" she asked, in a tone that suggested she'd just as soon go home.

"Miranda?"

A flicker of recognition crossed her face. "*Oh*, my God!" Miranda laughed. "Jim!" Doing that little tippy-toe step that fat-mammed chicks learn to perform instead of running, Miranda came around the counter, arms raised for a hug, tits threatening to pop out of her tube-top. I hadn't had any carnal thoughts about this stunning, curvy heifer before *(continued on page 104)*

Sluts Hurt

The Hazards of Fucking a Diseased Porn Star

by Karl Prinz

Illustration by the Pizz

I'm on a writing assignment in Las Vegas for the 2002 Adult Entertainment Expo. It's a tough job. Porn chicks everywhere dressed in skimpy ensembles sign autographs and take snapshots with horny mooks. I've been drinking heavily since yesterday and, when a budding young, black porn gal approaches me, I almost lose consciousness.

"I was looking for you all night at the hotel yesterday," she tells me.

"Why were you looking for me?" I ask.

The porn starlet bats her eyelashes and says, "I was hoping we could hook up."

I write down my in-town digits for her, and we part company with plans to fuck that night.

A few hours later, I knock on her hotel-room door and quickly pound down the rest of my beer. My date's cousin opens the door and motions me inside. Harlem Nights plays on the television as I carefully make my way across the trash-covered floor. By this time, the 200 milligrams of Viagra I popped is starting to kick in. My knees tremble with the anticipation of adding another slut to the list of jizz-biz chicks I've become intimate with.

The porn actress appears from the bathroom in a robe, seemingly fresh and clean. Her small, natural tits gleam. I open some Heinekens and hand them to the girls. Someone lights up a joint. My XXX treat cuddles next to me and reaches for my dick.

"Shit, y'all," her cousin spurts from the next bed. "Get a room."

My blue-screen fox grabs a pillow and hurls it at her cuz. Taking the not-so-subtle hint, my near-future fuckmate's pissed-off relative grabs her purse and heads down to the casino so we can get down to the nitty-gritty.

I've never sucked a black girl's twat before, I think as my mouth approaches her pink-and-purple pussy. Just as I'm about to taste her ebony essence, she stops me. "Boys don't ever do it right," she says. "I got my homegirls for that."

If she only wants to fuck, that's okay with me. I put a condom on my Viagra-stiffened rod and toss her every which way. The dark-skinned smut siren knows her way around a cock. In between positions, she runs to the bathroom for a quick glass of water and tells me that she's cool with me fucking her bareback and, if I want, I can stick my cock in her ass. "You have the perfect dick for anal," she whispers to me just before I slide into her tight bum. (I'm so drunk that I don't recognize her assessment as the insult it is.)

After a few minutes of shoving my unprotected phallus up her surprisingly snug anus, I empty what seems to be a gallon of jizz into her thirsty rectum. At least I won't impregnate her, I smugly think as I pull out and wipe off my dirty schlong.

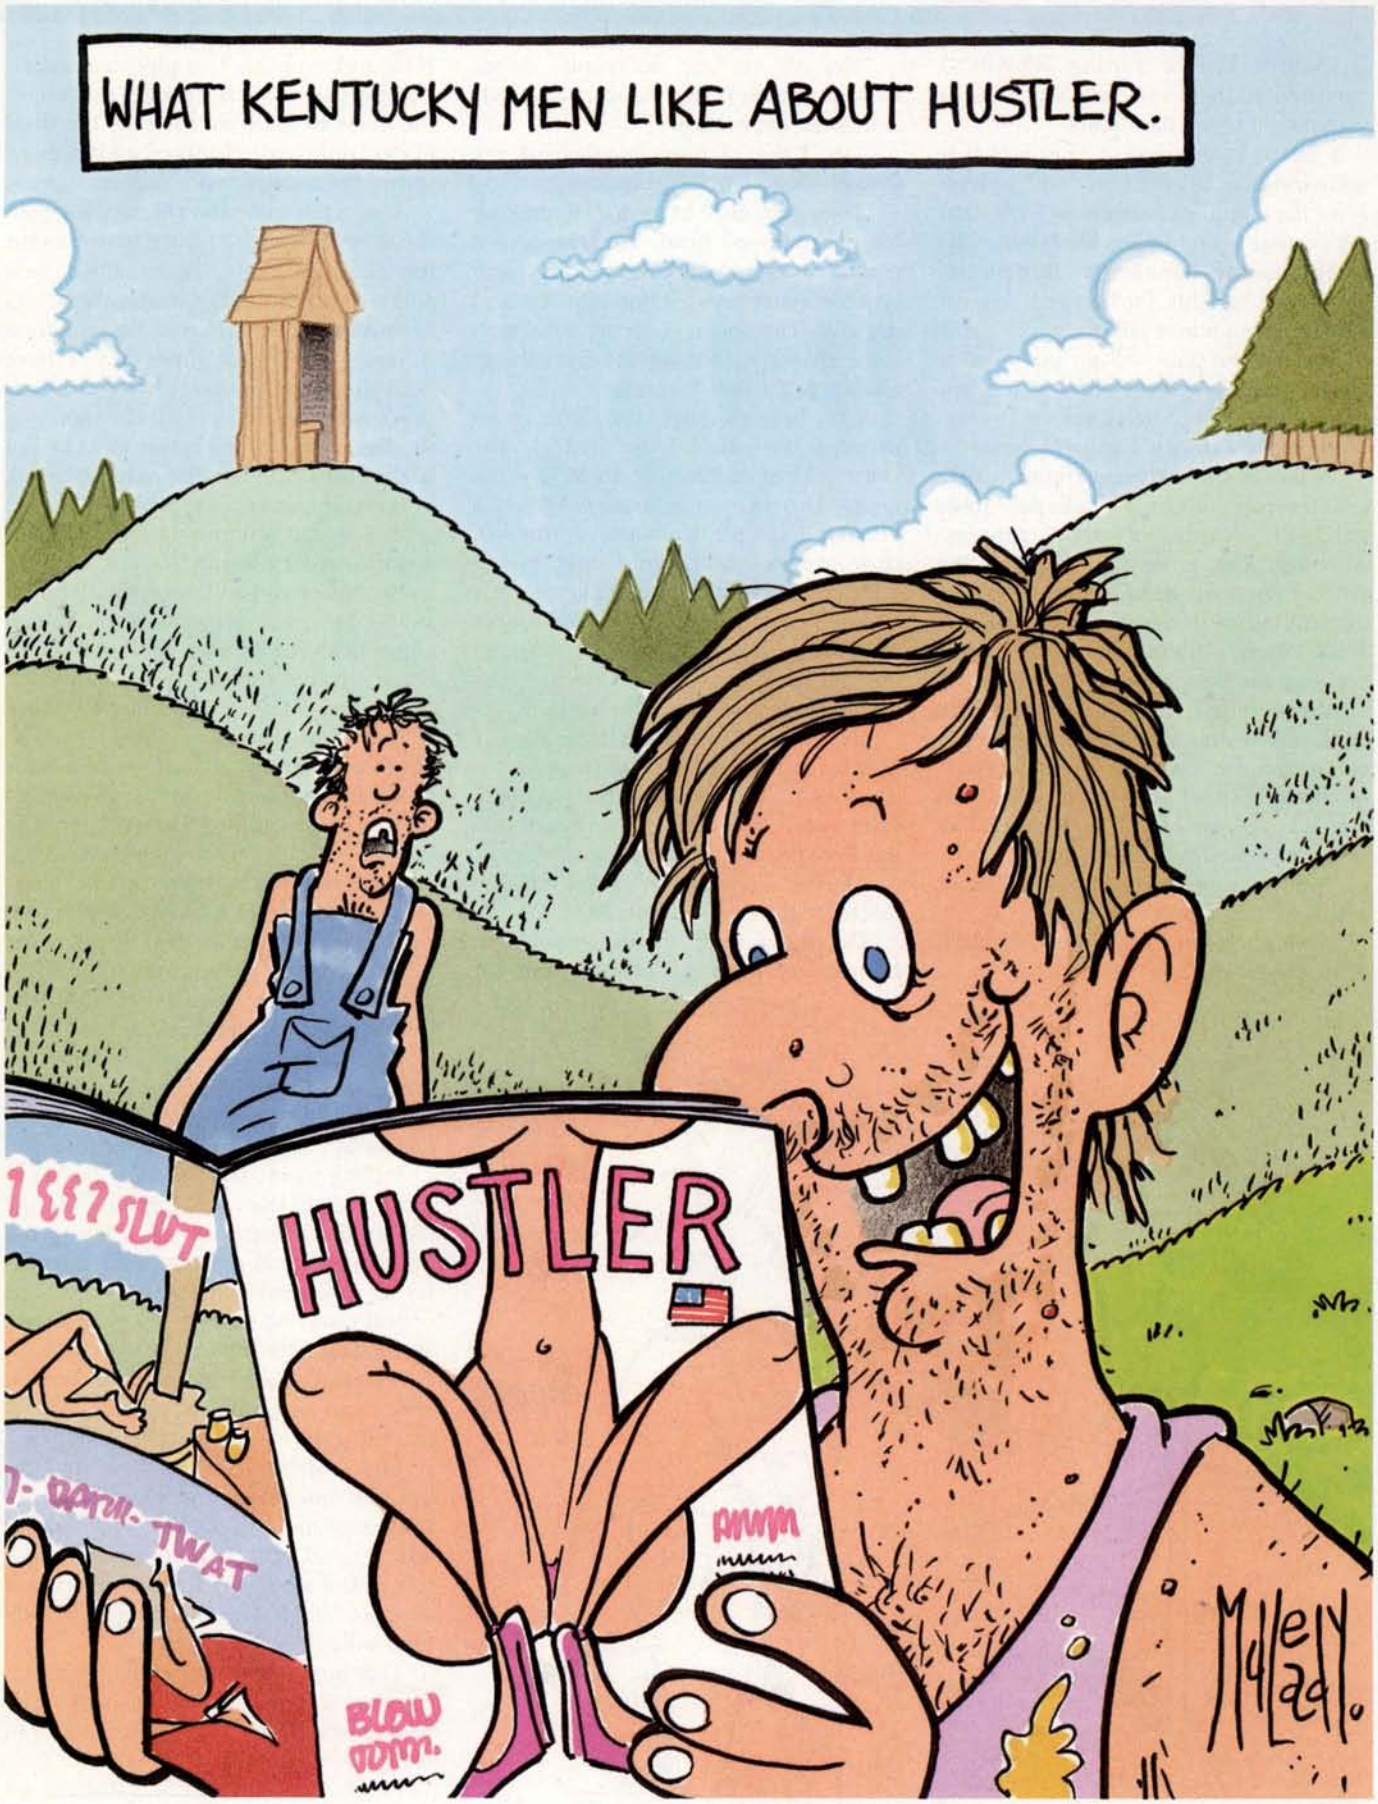
* * *

A month later, with the memory of my Vegas fling faded, I wake up suddenly, shrilling in pain. A steady bolt of agony boils deep inside my balls. Crawling like a wounded soldier, I make my way through the darkness to the bathroom. When I stand up, my knees buckle, dropping me back to the dingy floor. "This can't be good," I say aloud, as I again raise my body. Carefully pulling out my stinging dick and aiming for the bowl, I close my teary eyes and pray for the best.

None of the sex-ed lectures that I sat through ever prepared me for the gruesome task of taking a leak with a venereal disease infesting my genitals. Merely holding my ill cock causes me to howl like a lost puppy.

I notice a grayish ooze dripping from the tip of my penis. Fearing that my cock is about to shoot streams of razor-sharp piss, I can't bring myself to empty my bladder. When I do finally manage to urinate, I feel as if a bowling ball is trying to escape through the tender, slim tunnel of my urethra. I don't know how I'll ever be able to do this four times a day.

Whatever I have stewing in my scrotum originated in the squalid gash and shitpit of that Nubian porn chick. Hours after I left her hotel room satisfied, an eerie feeling came over me that I really should have kept that rubber on. I had a shitload of them in my pocket (courtesy of a $2 donation to AIM), and this was a



"Dang! Clem, c'mere and look at the full set of teeth on this bitch!"

I can't bring myself to empty my bladder. When I do finally manage to urinate, I feel as if a bowling ball is trying to escape through my urethra.

girl who fucked for a living. Why did I venture into the deep, dark, scary woods without my trusty flashlight?

I guess, at the time, I reasoned that adult-industry folk are tested so frequently for the complete rainbow of STDs that my partner would be less likely to be carrying a disease than the standard Sunset Boulevard bar slut. Or maybe I was just too stoned on boner pills to think clearly.

Hoping the pain will go away on its own, I suffer two weeks of burning urination and sore testicles before I reluctantly make a doctor's appointment.

"What is the nature of your visit?" asks the receptionist, a small, delectable gal with constantly erect nipples. Although I'm already staring at her chest, I lower my head even further as I explain to her that my cock hurts when I piss. Barely hiding her disgust, she picks up the phone to page the doctor.

After I've described my symptoms, the M.D. informs me that I have most likely contracted the ferocious one-two punch of chlamydia and gonorrhea. My physician is not pleased with me. He feels I've been quite careless with my body.

"Tell me something," he says. "What is this woman like?"

"Well, she's hot," I tell him. "About 20 years old."

"No, no, no," he interrupts. "What kind of woman is she? A rich white girl? A Russian dressmaker?"

"Oh, I see," I jump in, clearing my throat. "She's a black porn star."

"Porn star, eh?" he remarks, shaking his unimpressed head. He takes out a pad of paper, quickly jotting down some much-needed prescriptions for me and my willy. The doctor rummages through some drawers, looking for something. *Could it be the Test?* I wonder.

According to men who have gone through this horrifying ordeal, the worst part of contracting an STD is the Q-tip-like tool that is used to collect a discharge sample from the urethra. A co-worker of mine told me how a bulldyke nurse in a free clinic violently jammed the cotton-tipped instrument up his peehole as if she were working out all her aggressions toward the earth's male population on his cock.

My doctor is out of swabs; so for the time being, at least, my sensitive pisser is unprobed. The physician instructs me to return on a later date, but to begin taking Doxycycline and Cipro immediately.

"Cipro?" I scream. "What the fuck did this bitch give me—anthrax?"

The doctor sends me to Cedars-Sinai Hospital to have my blood tested for HIV and syphilis. The physician asks if I suspect anything is wrong. I don't have the heart to tell him. Frankly, I'm tired of explaining why I fucked a black porn star in the ass without a rubber.

After a few more days of standing over the toilet in agony, I return to my doctor for the swab exam. Four million men and women in the U.S. catch chlamydia each year, while more than half a million Americans contract gonorrhea. I have both diseases. The staggering numbers don't ease the discomfort of explaining to the same hot receptionist that I'm back at the doctor's office to have a hunk of metal shoved up my pisshole.

The doctor scurries me into an exam room, searches through a box of medical supplies and pulls out the dreaded swab. The instrument is basically an eight-inch needle with a slim layer of cotton around the tip.

"You're going to take that and shove it down the tip of my dick?" I ask, absolutely certain that I would rather hold on to these two fine, sexy diseases for another century than experience this new assault on my manhood.

"Hell no!" my physician shoots back. "I'm not touching that. You're doing it yourself. And get it in a good three inches." He leaves me alone to perform the deed. "Oh, God," I whimper. "What have I gotten myself into?"

I push the needle deeper down the sensitive cavern of my urethra. Eventually, I manage to maneuver the needle in the required quarter-foot.

Pulling the swab out of my pecker is more painful than shoving it in. Once I retract the torture device, I fall to the floor in the fetal position and weep. As far as traumatic experiences go, this ordeal ranks between being gang-raped and losing a testicle to a rusty fence.

A week later, the medications kick in, and I can piss without pain. I place a fearful call to obtain the blood-test results. I don't have HIV or syphilis, but the question remains: Will I fall prey once more to the gods of condomless sex, or will I keep constant the remembrance of my former agony and slip one on before heading in? Only time will tell.

That time arrives sooner than I expect. I receive a phone call; the polluted harlot who caused me all of this misery wants to hang out tonight. "Sure," I say.

I look around, and I find that I don't have any condoms. Hopefully, she's had her diseases taken care of by now.

"Agnes, you spoil that dog."

I'm obsessed with tit-all-over chicks. On my ideal woman, any given area of her body would feel indistinguishable from her spine-strainingly huge breasts, including her arms, her legs, her ass, her stomach and even her throat. The prospect of pressing tit-all-over flesh is what compels me to finally take in a plus-size singles' party. I could toss off some macho puffery about cruising for easy, fat-girl sex, but what really draws me out is the same thing that propels "normal" humans to "normal" social functions, such as LSD raves, church mixers and catching the big game over hot wings at TGIF: the mating ritual.

I doll myself up in some hope against hope that this will be the night when everything works against all prior knowledge and experience. Here, I'll find my soul mate. A casual bump by the buffet table will lead to a lifelong romance. Somehow, somewhere, mixed in with all the manatees is the brainy, hilarious, retired punk-rock chick with dirigible bosoms and no greater desire than to manage and promote the career of a broken-brained sex scribe. But am I looking for love in one of the very wrongest of places?

A vinyl sign tied to the marquee of the Rye, New York, Holiday Inn flaps in a late-winter gust, announcing, "Large Encounters—Mardi Gras Blowout—Saturday Night: 9 p.m. to ???—Be there with beads on!"

Long Island-based Large Encounters Inc.—"where size is an attitude, not a number!"—has ballooned into an empire fueled by "big, beautiful ladies and their gentlemen admirers." The company has been in the game for 12 years, according to a representative. The organization began as a phone-chat line, then took to hosting live events and, with great success, launched a magazine containing mostly personal ads.

Colleen is blessed with every best-case-scenario element of the "brick-shithouse" build: a bombastic bosom, Hiroshima hips and a supermodel-caliber kisser.

All of the group's promotional materials stress its "success stories." These tales of romance blossoming along floorboard-quaking conga lines typically showcase photos of smiling couples. For some reason, a good deal of them are interracial.

Thanks to the World Wide Web, BBW groups such as Large Encounters and Goddess Inc. have expanded in the manner of Anna Nicole Smith's waistline. The acronym BBW has become universal shorthand for "fat chick" courtesy of Internet chat rooms, personal-ad lingo, daytime-TV talk shows and other 21st-century bastions of the sexually disenfranchised. Specifically, BBW stands for Big Beautiful Woman. Unfortunately, these big women are rarely beautiful.

One exception is Colleen (some names have been changed to protect the rotund), a six-foot-tall, 28-year-old strawberry blonde whose XXL corpus is blessed with every best-case-scenario element of the "brick-shithouse" build: a bombastic bosom, absurdly long and strong legs, Hiroshima hips and a round, hard, double-bubble butt, all capped off with a supermodel-caliber kisser.

She met my friend Danny at a Large Encounters Valentine's Day blowout in 2000. Danny, ever the sexual adventurer, decided to explore his "chubby chasing" impulses. He saw Colleen's Dead Kennedys tattoo, and they've been inseparable ever since. I pretend that I let them talk me into going to this Mardi Gras nonsense but, in reality, I desperately want my own ink-splattered, über-boobed super-mama.

Inside the Holiday Inn ballroom, a hit by Latin pop star Shakira blares the hilariously translated lyrics, "Lucky that my breasts are small and humble so you don't confuse them with mountains."

There are, in fact, a lot of small breasts semi-bobbing in the lobby as we wait to have our hands stamped. Many of them are attached to bodies that Mohammed himself might have easily mistaken for mountains; others look like entire mountain ranges.

One of fortune's cruelest tricks is to deal out losing chest cards in the Fat Girl Lottery. The male mammary obsession is such that a giant set of jugs will normally offset any number of shortcomings. Woe unto those women who draw the genetic short-straw of a blobular belly, vast ass, lumpen legs, Michelin hips and training-bra tits.

Every such accursed flatty-fat in Northeastern America seems to have made her way to Rye this evening. With the forfeiture of a $15 admission price and the admonition, "Don't forget your beads!" I was rocking among them.

"Hi, neighbor...can I borrow a cup of love lube?"

As I check my coat, I spy a potential Large Encounter who has a pretty face and tremendous boobs. But on closer inspection, I realize that her monster-size breasts are on her back. They border on medical anomaly. She has sprouted two thick, tubular blubber wings that stretch in equal-sized crescents from under each armpit up to a midpoint on the fat that encases the ball of her quadruple chins. The half-circles of adiposity then rest atop the sizable beef-tube of her midsection. All the components move of their own accord.

The dance floor undulates with the thunderous tonnage of mammoth maidens grooving among themselves. Other distended dames sit at surrounding tables, futzing with feathery New Orleans-style masks and "Happy Mardi Gras!" centerpieces. At least one loud-mouthed lard-lass is making the rounds, asking people to hand over their beads, which come with the price of admission.

"What's in it for me?" I ask when she begs for my two strings.

"I'll flash!" she promises. She lifts her shirt (no small haul) and momentarily exposes her black brassiere.

"Nice," I say, "but that's not a flash."

A debate ensues about bare nipple being necessary for a legitimate Bourbon Street-style bauble reward. Mademoiselle Beads-for-Brains ends the fray by sticking her tongue out. I hold on to my plastic necklaces. She'll be back.

I take notice of the lurking male contingent that is present. Talk about a case of the creeps. Adorning the sex-crippled miscreants among us are nature-defiling toupees and plaid pants pulled up to sagging pectorals. Heavy-metal long-hairs in acid-wash denim intermingle with wizened and/or morbidly obese heaps of wreck bedecked in polyester, plaid and plaid polyester.

I spy a potential Large Encounter who has a pretty face and tremendous boobs. But on closer inspection, I realize that her monster-size breasts are on her back.

One amazingly slick dude dresses head-to-toe in black: his suit, his T-shirt, his sunglasses and even one of his manicured fingernails. He seductively tosses his thinning, shoulder-length hair behind his suit's shoulder pads while running his fingers over his meticulously kempt black stubble. The raven-favoring romantico stands maybe 4-11.

No man dares make eye contact with another. Or maybe that's just me. I maneuver as though a magnetic beam emanating from the easy-vacuum gray carpet has affixed itself to my baby blues. I scan the literal masses every so often in hope of scoping out a tempting Titanic Tessie, then fall back to inspecting my shoelaces. It's a familiar feeling.

I draw absolutely no attention from any of the BBWs. Meanwhile, Colleen's brother, Jimbo, is swatting the ladies off as if they were Volkswagen-size flies. The New York City firefighter joined us simply for an easy night out among pals in amusing surroundings. He'd be less busy in a five-alarm, chemical-factory blaze.

As noted, Colleen is a bonafide beauty, albeit one of nonwaif dimensions. Jimbo not only received the family's good looks, but a flawlessly muscular physique to boot. The sight of one bleached-out McDonaldland Grimace after another approaching this movie-star-handsome fellow, asking to rub his six-pack abs, is quite bizarre.

Such survival of the prettiest can be a drag, but it's simply how the species propagates. It's natural selection—natural even among broads whose bulk (individually and en masse) mocks nature itself.

At one point, a sloshed she-hemoth taps my shoulder and inquires if she can ask me something. I'm hoping her question is, "Would you take out all your frustrations on one of my neck rolls with your cock?"

Instead, she queries, "How old is your friend?" She points at my pal Danny, who is currently mock-flirting with an ossified she-ogre. The object of Danny's coquettish glances either has one teat or one milky, tit-shaped slab of upper arm flopping out of her low-slung top.

"He's 30," I tell the walking puff pillow. "Why do you ask?"

"*Aww*," she pouts. "Only 30. Too bad. He's cute."

I walk away. No way am I going to punch the wall in front of her and demand, "Well, what am I, chopped liver? Obviously not because, in that case, I wouldn't last a minute in this crowd!"

I'm too dignified for such a display. I'll wait until I'm inside the men's room. Unfortunately, once I make my way to a urinal, I have a new reason to despise humanity.

Steve was really hard up and decided to buy a sex doll; so he called a mail-order shop and asked for advice.

"I have just the thing," the dealer said. "'Lifelike Tina.' She's so realistic you can't tell the difference!"

Intrigued, Steve ordered one. As the supplier packed the box he couldn't believe how good Tina looked. The merchant became really turned-on, thought, *What the hell?* and fucked the doll. After washing it, he neatly boxed the doll and sent it to Steve.

A month later Steve called up: "You know that Lifelike Tina blow-up doll you sent me? I cannot tell you how impressed I am."

"That's great!" the seller chirped.

"Yeah, she's totally convincing," Steve added.

"Realistic, then?" the distributor crowed.

"Yup," Steve said. "So realistic...I caught syphilis."

A union plumber was called to a woman's apartment in New York to repair a leaking pipe. When the tradesman arrived, he was pleased to discover that the woman was a luscious, well-stacked babe, and during the course of the afternoon the two began a sweaty session of fucking.

At 5:30 p.m. the phone rang, disturbing the bedroom shenanigans. "That was my husband," the lady said. "He's on his way home, but he's going back to the office around eight. Come back then, and we can take up where we left off."

The plumber looked at the woman in disbelief and balked, "What? On my own time?"

From 75 candidates for a new antiterrorist post the CIA narrowed the pool down to the strongest contenders, three men aged 25, 35 and 45 years.

"Gentlemen," the administrator said, "we have a final task for you. It's a test of your loyalty to the Agency."

With that he handed the 25-year-old a pistol and explained, "Your wife is in a nearby cell. We can only be sure of your devotion if you go there and kill her."

The young man gulped hard and went into the next room. After a few minutes of silence he returned, shaking his head and apologizing, "I can't do it, sir."

The agent said, "I understand, son; you can go now."

Then the 35-year-old went to his wife's cell. He soon came back saying, "I can't; we have two children."

At last it was the 45-year-old's turn. With steely resolve, he grabbed the gun and marched next door. As the administrator and his staff waited, they heard gunshots and violent wrestling in the other room. Finally the candidate emerged, sweating and bruised. He put the gun on the administrator's desk and huffed, "Some fucker put blanks in the gun; so I had to strangle her."

SLAVES TO THE SCALPEL

COSMETIC-SURGERY JUNKIES

UNDER THE KNIFE WITH **DAN KAPELOVITZ**

PHOTOGRAPHY (THESE PAGES) BY MARC MEDOFF/ADULT PRESS SERVICE

Nip-and-tuck addicts risk their lives and spend millions of dollars in the name of artificial perfection. Many plastoholics end up with disfigurements that would make **Frankenstein blush**, then **gladly return for more.**

Slaves to the Scalpel

"I am becoming addicted to plastic surgery," says Jen X, a 34-year-old porn actress who has had breast augmentation, a chin implant and numerous Botox injections. "I already have an addictive personality; I'm already in 12 steps. I'm just shifting my addiction from alcohol and drugs to plastic surgery. This is way more expensive than alcohol."

To raise money for a nose job, Jen starred in a gang-bang scene for $1,700. Unfortunately, the video work resulted in a kidney infection. "I had to cancel the surgery," says the blue-screen thespian. "That's why I shot the gang-bang in the first place—for my nose job, and now I have more money in hospital bills than I made on the gang-bang."

Jen also undergoes monthly injections of silicone into her lips, a dangerous procedure for which she visits a clandestine doctor. "What I have done is totally illegal, but I don't care; [silicone] is the only thing that lasts. I continue to have my lips done every month to get them bigger and bigger—they're never big enough. Unless they're like Angelina Jolie—that's when I'll stop. This industry is so cut-throat that, unless you naturally look like Pam Anderson—and she's not even natural—you're fucked. The more surgery everyone else gets, the more I have to get to keep up."

Plastic surgery is more popular than ever. According to the American Society for Aesthetic Plastic Surgery (ASAPS), doctors performed nearly 8.5 million cosmetic procedures in 2001, a 304% increase from 1997.

Photo by Missa Martin

Plastic surgery—*as American as a chick with a dick.*

The rise of plastic surgery is due in part to society's increasing acceptance of artificial beautification. In a February 2002 ASAPS survey, 34% of women and 19% of men said they would consider having plastic surgery. The poll also found that 55% of Americans approve of cosmetic procedures.

Instead of gathering in living rooms to order Tupperware, housewives now host Botox parties. The wrinkle-phobic women invite a physician into their homes to inject Botox—a diluted and purified form of botulinum toxin, the poison responsible for botulism—into their foreheads in order to paralyze their muscles and eliminate worry lines.

While nose jobs, breast augmentations and face-lifts have been around for decades, today, plastic-surgery clinics advertise everything from butt implants to laser vaginal rejuvenation.

An influx of medical practitioners are both meeting and fueling the increasing demand for cosmetic surgery. Because elective procedures are not covered by insurance, many doctors who are tired of dealing with bureaucratic HMOs are jumping onto the lucrative plastic-surgery bandwagon. "When you graduate medical school, you have the ability to practice medicine and surgery," says Dr. Alan Gold, an ASAPS spokesperson, "so I can be an internist and, in most states, I'm able to do liposuction, face-lifts, deliver babies, do neural surgery—there's no restriction on my license. There are obstetricians who may choose to do liposuction; there are opthalmologists who may do face-lifts, and now there are dentists who are seeking the ability in certain states to do rhinoplasty and face-lift surgery. It's rather scary."

"The [porn] industry is so cut-throat that, unless you naturally look like Pam Anderson—and she's not even natural—you're fucked."

Even more frightening are the legions of unlicensed practitioners who illegally set up underground plastic-surgery clinics. Patients of these back-room facilities risk disfigurement and even death.

The fierce competition and growing market are causing prices to fall, and for patients who can't afford to pay up front, there are loan agencies specifically created to finance breast implants and other aesthetic procedures.

*Rhiannon: Too much is **never enough.***

Photo by fury@earthfury.com

Is our beauty-obsessed culture creating a nation of plastic-surgery junkies?

"I do not know any girl who has ever enhanced herself only one time," says Rhiannon, a professional dominatrix who has traveled all over the country in her quest to possess gargantuan breasts. "[The surgeries] are like potato chips—you never stop with one."

Rhiannon, whose 4,100-cubic centimeter, 48MMM tits each weigh approximately ten pounds, began her bust-enhancement odyssey in 1991, and has since had 30 surgeries on her right breast alone. "I went in for a boob job like some people go to get their teeth cleaned," says the raven-haired star of *Cleavage Dreams*, who looks like Elvira, if the horror-movie hostess had two beach-ball-size mams popping out of her chest, along with large quantities of silicone and fat injected into her lips. "There's something about my personality that big is never big enough. If I'm going to do it, I'm going all the way."

In the future, Rhiannon plans on having even larger implants put in. "Whatever needs to be done, I will do it. You can exercise until you're blue in the face, but your boobies aren't going to grow from that."

Melonie Charm, a big-bust model who resides in upstate New York, has also had multiple breast surgeries, as well as a tummy tuck and the fat transferred from her belly into her lips. While the operations have primarily been a career move for Charm, she understands the psychological attraction of cosmetic surgery. "[Plastic

Amanda Lepore: **Rib removal** is glamorous.

surgery] does make you feel better," says Charm, who transformed her natural 34C breasts into 50JJJs. "It gives you more self-esteem—you look better, you're more confident, but that doesn't last forever. Some people who are not truly happy with themselves—they get plastic surgery. They feel good for a while, and then they want to fix something else, or they want to get it redone."

Terry Prone, a 52-year-old novelist and public-relations specialist, details her multiple under-the-knife adventures in her book, *Mirror, Mirror: Confessions of a Plastic Surgery Addict*. Prone has had a face-lift, brow-lift, arm-lift, laser resurfacing, cheek implants, liposuction, a tummy tuck, Lasik eye surgery, dental implants and Botox injections. Prone's eyebrows, eyelids and lips have been permanently tattooed, her spider veins removed with lasers, and she has had her "hammer toes" flattened. "I'm not suggesting that plastic-surgery addiction is as out-of-control as alcohol, cigarettes or heroin," says Prone. "I'm saying, there's a hell of a high involved. Not a chemical high. A continuous, low-level high."

"It's like being an addict because that elation fades, and you go back to wanting to do something else," says Allanah Starr, a pre-op transsexual who describes the feeling right after surgery as "a high." Ever since Allanah had her first nose job five years ago, the 27-year-old chick with a dick has averaged two to three procedures every year. "I wish I could have more—with working and scheduling, it's a big process. It's also too expensive."

The busty she-male claims to have spent more than $100,000 on her myriad surgeries, which include having her eyebrows lifted, her eyes reshaped, a mini face-lift, Botox injections, her ears pinned back, her eyelids done, cheek implants, lips augmented with silicone, her chin resculpted, two sets of breast implants, three nose jobs, her laugh lines filled in with silicone, liposuction on her neck, her Adam's apple filed down, and silicone pumped into her hips and butt multiple times.

"I was thinking of selling the ribs for charity— one for charity, one for myself."

Starr isn't finished with her transformation; she plans to restructure her jawline, file down her brow bone, lower her hairline and make her 40DD breasts even larger. "I want to be double the size I am now," says Starr. "I like extremes. The thought of going overboard has never bothered me."

While transsexuals typically undergo a certain amount of plastic surgery, Starr believes that she suffers from body dysmorphic disorder (BDD), a psychological condition characterized by an irrational preoccupation and conviction that one's body is never attractive enough. According to Dr. Katharine Phillips, author of *The Broken Mirror: Understanding and Treating Body Dysmorphic Disorder*, BDD may affect up to 2% of the U.S. population. Of these BDD-suffering Americans, 72% seek surgical, dermatological or other nonpsychiatric medical treatments.

Plastic surgeons contend that undergoing multiple procedures is not necessarily symptomatic of BDD. "There are very well-balanced people who have numerous surgeries," says Barry Weintraub, national spokesman for the American Society of Plastic Surgeons. "They'll do one, and some months or years go by, and they'll do another and then a third, and so on. Then there's another group of people, and these characters, no matter what you do, are not happy. Think of a person like a car. The plastic surgery is just like the paint job; it's just the outside, but what's important is the motor."

SHE'S FREAKY-LOOKING, BUT IS SHE ART?
AN INTERVIEW WITH ORLAN, THE HUMAN SCULPTURE.

From 1990 to 1995, performance artist Orlan underwent numerous cosmetic surgeries—including having two cheek implants inserted into her forehead—all in the name of art. While the media reported that she was attempting to attain the chin of Botticelli's Venus and the brow of da Vinci's Mona Lisa, Orlan denies that these were her goals. With the help of a translator, the French artiste sets the record straight on her twisted craft.

Photo by Donald Weber

HUSTLER: *What are you trying to say with your art?*

ORLAN: *It is not about beauty itself, but the standards of beauty, which are man-made. Every civilization tries to refabricate the body. For example, Aztec and Mayan cultures used to change the configuration of the skull, and they created cross-eyed children by applying beads in between their eyes.*

HUSTLER: *Growing up, were you obsessed with your own appearance?*

ORLAN: *Absolutely not. Ever since I was a kid, I was considered beautiful by social standards.*

HUSTLER: *Then why did you have all of that plastic surgery?*

ORLAN: *It was an expression of art. It was all a process to make myself an object of art, but it has been nine years since my last surgery.*

HUSTLER: *Why did you stop?*

ORLAN: *I am not a cosmetic surgeon or interested in surgery per se; it was just one of the parts of my career process. All of my life, I have been interested in different mediums, and there was a time when I was into surgery.*

HUSTLER: *Did you keep all of your surgical enhancements?*

ORLAN: *Yes, they are still in me.*

HUSTLER: *At one point, you announced that you would have your nose enlarged as much as surgically possible. Why didn't you ever do that?*

ORLAN: *I felt that I said what I had to say through the operations, and that chapter is concluded. The media said I tried to look like Mona Lisa and Venus; what I'm trying to do is the exact opposite. It was never part of my oeuvre to resemble the ideal standards of beauty.*

HUSTLER: *What were you trying to look like?*

ORLAN: *The final result does not interest me. I asked the surgeon to do something that no one has ever demanded—to defeat the usual parameters of undergoing surgery, and I succeeded.*

Slaves to the Scalpel

to refuse seemingly unstable clients, surgeons must obtain the patient's informed consent, which arguably can't be given by a psychologically disturbed individual. Most responsible doctors, including Weintraub, take steps to weed out any crazy clients. The Beverly Hills surgeon claims that he rejects a third of his potential patients for a variety of reasons and says he can often spot BDD sufferers right away. "They have unusual habits—picking at the face, biting their nails, acting jittery. They may have already had three or four operations on the same body part."

In 1999, a woman identified in court documents only as Lynn G. sued plastic surgeon Dr. Norman Hugo, claiming that she suffered from BDD and that the doctor should have referred her to a psychiatrist instead of operating on her. The woman had undergone more than 50 surgeries in a six-year period, but decided to sue after she was unhappy with scars left from a tummy tuck. In June 2001, New York State's highest court dismissed the case, ruling that there was no concrete evidence that she suffered from BDD. The fact that the appeals court agreed to hear the case may open the door to future BDD-related lawsuits.

While some unhappy plastic-surgery patients turn litigious, others turn violent. In 1999, Theresa Mary Ramirez was sentenced to life in prison for the 1997 murder of Dr. Michael Tavis, a surgeon who she claimed gave her leaking breast implants. Ramirez had undergone 13 breast surgeries in eight years; her attorney argued that she was afflicted with BDD. Unhappy with her face-lift, Beryl Challis, of Bellevue, Washington, shot her surgeon, Dr. Selwyn Cohen, to death, then went home and killed herself.

"People who are seeking that type of extreme transformation have to be carefully screened and counseled, or it can be a danger to both them and the plastic surgeon," says Dr. Alan Gold. "There are patients who have attacked their surgeons; so while that is rare, it shows you the impact that the kind of transformational surgery that we perform can have on people."

"We want to make sure that what we do will end up making [our patients] happy," says plastic surgeon Dr. Stephen P. Grifka, of Culver City, California. "If a woman comes in, and she thinks [cosmetic surgery] will solve her marital problems or give her a better personality—things like that are not realistic goals."

"I want to be double the size I am now. I like extremes. The thought of going overboard has never bothered me."

Even cosmetic objectives that can be easily achieved may not be advisable. Dr. Grifka and his medical partner, Dr. Marc J. Kayem, have had many unusual requests, including a model who walked into their office demanding a pig nose. "She wanted something that would make her stand out from the rest, but that is something that we did not feel comfortable getting involved with, because it didn't appear to be a reasonable request," says Dr. Kayem.

Dr. Kayem says that he sometimes advises patients to seek counseling, but he acknowledges that determined individuals will go from surgeon to surgeon until they find one who will grant their extreme requests.

"I've had plastic surgeons tell me, 'No, I won't do that, because you're fine,' and I just go to somebody else," confirms scalpel slave Allanah Starr. "Nobody is going to stop me. Whatever you want to do to your appearance is definitely your right to do. If you want to fix a little detail, there's nothing wrong with that. Everybody has different goals. The majority of people who have plastic surgery obviously don't have the same goals I have. I want it to be over the top; I want it to look overdone a little bit."

New York City resident Amanda Lepore shares Starr's by-any-means-necessary philosophy. "I'm going away this weekend to get liposuction, and the bottom rib filed down and my cheeks lifted," says Lepore, two days before she is to leave for Guadalajara, Mexico, to undergo the operations, since legitimate doctors in the U.S. won't perform cosmetic rib surgery. "What girl doesn't want a tinier waist? I was thinking of selling the ribs for charity—one for charity,

BUSTED FOR BOOB JOBS: RACKING UP CRIMES IN THE NAME OF FAKE TITS

Credit-Card Scam

As a 19-year-old, Michael Copp, of Lorrain County, Ohio, reactivated his mother's credit card to pay for his girlfriend's breast implants. As part of a plea agreement, Copp is expected to pay a $1,500 fine, return the stolen $2,496 to his mother and join the Marines.

Insurance Fraud

Several Las Vegas casino employees—waitresses, dealers and others—were involved in an elaborate health-care scheme. The aptly named Sophia Dao Stack allegedly recruited workers to have cosmetic surgeries, including tit jobs, performed by doctors who would then bill insurance companies for medically necessary procedures. At least one surgeon, Dr. Lee Newman of Beverly Hills, California, is accused of submitting fraudulent bills to Mutual of Omaha, who paid the doctor more than $20,000.

Hospital Heist

A security camera at Cedars Medical Center in Miami, Florida, caught a supply-cabinet burglary on tape in which $27,000 worth of breast implants were stolen. The unknown perpetrator is still at large, presumably hawking the phony mams on the black market.

Bankruptcy Scandal

Instead of following a proposed plan to reorganize the failing (and now-defunct) Interstate Savings Inc., executive Samuel Freedman stole large sums of money from the corporate bank account and used some of the funds to pay for his girlfriend's breast implants. He was sentenced to 18 months in prison.

Identity Theft

Melanie Melendez, a former A-cup, pleaded guilty to using the IDs and W-2 forms of her boyfriend's mom in order to qualify for a $6,500 loan to buy breast implants. In return for her guilty plea, Melendez—who faced up to seven years in prison for third-degree grand larceny—was promised three years' probation. The convicted criminal was not ordered to return her new D-cups.

Pig Stealing

Wisconsin farm worker Darrel Voeks stole $100,000 worth of pigs from his boss. With money he received from selling the hot livestock, Voeks offered to buy his favorite stripper a $3,000 breast augmentation. Instead, Voeks was sentenced to ten years in prison.

The Fleecing of America

Taking a break from the War on Terror, U.S. Defense Secretary Donald Rumsfeld has ordered an investigation into the unauthorized use by Defense Department employees of government-issued credit cards for personal spending sprees. One Jacksonville, Florida, worker used his credit card to purchase a $4,000 breast enhancement for a Hooters waitress who wanted to live up to the restaurant's moniker.

one for myself—but I don't know if they cut [the rib] out. Some people say that they bend it; some people say that it's broken, and some say it's filed."

In some circles, Lepore has become a plastic-surgery icon. Her medical metamorphosis caught the eye of fashion photographer David LaChapelle, who has taken numerous pictures of Lepore, including one that adorns a LaChapelle-designed Swatch timepiece. Extensive surgical "improvements" have given other cosmetic crusaders a taste of fame as well. Cindy Jackson became relatively well-known for her 28 surgeries that gave her the look of a Barbie doll, but the ultimate plastic-surgery celebrity is New York socialite Jocelyn Wildenstein. The ex-wife of billionaire art dealer Alec Wildenstein is known as the Cat Lady because she transformed her face to look like that of a feline.

"Even in the case of the Cat Lady, if she's happy, then it's not a bad thing," says Dr. Grifka. But ASAPS spokesperson Dr. Gold disagrees. "The overoperated look—the Michael Jackson, the Jocelyn Wildenstein—is not the goal of a responsible plastic surgeon," says Gold. "The patient that wishes to achieve that look is not ordinarily considered a stable, operative candidate. Those individuals have perhaps significant psychological problems which would not make them an optimal candidate for surgery."

The more extreme operations are usually performed by the shadier doctors. In some of these cases, the surgeons seem to be the ones who need psychological intervention, or at the very least, further medical training. "I started with a horrible surgeon here in New Jersey who actually gave me square boobs," says Rhiannon, the dominatrix with the gargantuan tits. "It's really not a tried-and-true science. You just pray that the surgeon didn't dose himself up with drugs that morning or have a fight with his girlfriend, because he's cheating on his wife, or eating tuna-fish sandwiches while he's suturing you. This is all stuff that has happened to me. I had another surgeon where the implant protruded through the skin. She sent me a Federal Express envelope, saying that she now dismissed me of her care, [leaving me] with stitches and a really badly disfigured breast. It's some scary shit out there because, when you're going for the bigger sizes, you're dealing with something that is really not mainstream; so it gets a little black market."

Rhiannon eventually found Dr. Brad Jacobs, a New York City-based surgeon who Rhiannon calls a "miracle worker." Jacobs specializes in fixing botched boob jobs and says there are many doctors out there who are doing bad procedures. "It's not like there's breast-augmentation class and everybody takes it," says the physician.

Elaine Young, who has a reputation for being a realtor to the stars (her client list includes Elvis Presley, Jayne Mansfield, Leonardo DiCaprio, M. C. Hammer and O. J. Simpson), is living proof that unnecessary cosmetic procedures can damage lives. "In 1979, a girlfriend of mine walked into my office who looked gorgeous, and I said, 'You look fabulous. What did you do?' and she said, 'I went to this doctor and had silicone injections.' I got his name, and I was there the next day. He said, 'I'll make you beautiful,' and that's all I had to hear. I didn't check him out. I didn't know anything about him, and I got the injections."

At first, Young was very pleased with the results of the cheek injections. After a year, the silicone had grown onto the nerves of her face. Her left cheek expanded so much that Young couldn't close her eye, even while sleeping. A doctor told Young that gangrene had set in and, if she didn't rid her disfigured face of the silicone, she would die.

When Young had some of the silicone removed, the left side of her face became paralyzed for two years. The Beverly Hills realtor blames the surgery for ruining at least three of her six marriages and drastically hurting her career. "I had the opportunity to do what Robin Leach [of *Lifestyles of the Rich and Famous*] ended up doing, but I had the surgery," says Young, who undergoes a corrective procedure every six months to remove bits of the silicone. "I really looked like a monster for years. I would show a house with 50 stitches in my face."

"I really looked like a monster for years. I would show a house [and I had] 50 stitches in my face."

Young is committed to warning others of the dangers of silicone. "Silicone belongs in cars, not humans," says Young. "I actually have a hotline with my home phone number on it. I got a call from a lady who had silicone between her eyebrows. She grew a point in her head, and she ended up dying."

The doctor who injected the silicone into Young's face eventually committed suicide. "He hurt a lot of people," says Young, "and, unfortunately, yours truly sent a lot of people to him, because he made me look really pretty in the beginning. It's typical insecurity that leads women to do this. I don't care what they say; most of the women who do it are either aging, and they want to look younger, or they're very insecure."

Even though the experience ruined Young's good looks, she thinks collagen is "fabulous," and she can't wait to have a face-lift.

Rhiannon believes that her multiple surgeries, in spite of their numerous complications, have been worth the effort. "It's a small price to pay for something so big in return."

FRAN
JUMP START
PHOTOGRAPHY BY MATTI KLATT

*"**Asshole,**" Fran mutters into her cell phone after hearing a busy signal. "**He told me to meet him at his garage. That was 20 minutes ago. He's probably with his wife. I should just go, but I need a cock in me. Shit, I'm so horny.**" Fran slips off her heavy leather coat, and then her top. "**I could call his wife right now,**" she laughs to herself. "**It'll teach that motherfucker to keep me waiting.**" Fran smiles devilishly. "**Or I could just start without him.**"*

Miranda apparently had quite a carnal education; she alternately rimmed me and nipped at my sac while I slid my shaft between her fun bags.

(continued from page 50) she came of age, but now my mind went that route—especially when she practically humped my leg as she disengaged from the embrace.

We caught up on the past several years in a sentence or two. I explained my difficulty and asked for a cheap pair of jeans in a tall size (I'm 6-6).

I realized that I'd been talking to her boobs. The amateur Juggie wasn't offended; she flashed me a grin and, instead of irritably galumphing into the storeroom as I would have expected, presented the intentionally torn ass of her Wranglers and waltzed away slowly.

I followed Miranda into the back of the place and gleefully interpreted her flirtatious body language as she rummaged through the unshelved stock. When the clerk had to reach behind where I stood, one massive tit brushed against me.

"*Whoops,* hello," the top-heavy brunette giggled, swiping the tip of her left balloon across my forearm a few times. The big, stiff nipple under her tube-top made me bigger and stiffer between my legs.

I don't often have the opportunity to make it with an old acquaintance, let alone one with a better body than my ex's and a perfectly acceptable face. But I'm proud to say I did right by Miranda and groped her knobs. She reciprocated, grinding the crotch of her torn jeans into my thigh while I mashed her chest-duffels in opposing circles.

The heavy-uddered vixen pulled me down onto a pile of clothes that needed refolding. My fingers found the tear in her jeans. Reaching behind her, I widened the opening with my hand and stuck my mitt in, thinking, *What the hell, she probably gets a discount here.* I poked Miranda's underpants up between her soft ass-cheeks and rubbed the cotton into her crack with my thumb.

Miranda reached into the rip near the top of my thigh and fingered my pulsating penis tip, which was trying to pound its way out of my pants. "Remember when I used to deliver the newspaper?" she teased as I used my free hand to unbuckle my belt. "You moved away owing me 80¢."

Vowing to repay her with interest, I rolled on top of the salesgirl, freeing her pneumatic torso from its stretchy holster, and dropped my ruined trousers. I pulled the seat of her jeans apart with both hands and buried my face in her pungent panties, tearing the crotch out with my teeth.

Miranda groaned appreciatively as my tongue pried apart her beef flaps. I kneaded her fleshy chest-mounds as I ate my old neighbor out. The cantilevered sex kitten pressed her hands against mine; together we squeezed her prodigious rack until the busty brunette squealed and spasmed.

"Come early, come often," Miranda laughed as I twisted around into a 69 position. Instead of popping my twitching prick into her mouth, I arched my hips into her tits, bending my neck nearly double to keep my tongue slapping between her nether lips.

The girl apparently had quite a carnal education; placing her head between my dropped shorts and my balls, she alternately rimmed me and nipped at my sac while I slid my shaft between her fun bags and lapped at her velvety folds.

"I-I'm gonna come again," Miranda murmured to my nuts.

Instead of the previous wriggle-and-squeak, my newfound fuckmate went through a volcanic orgasm, replete with moans, protests, violent seizures, cussing, spitting, biting and cartoon voices. Even though I had more than a foot in height on her, I held on tight, worried she might throw me before I finished pumping her pontoons.

As Miranda's inarticulate gurgling subsided, I bussed her tender cunt more carefully and shoved her sweaty jugs together around my prick. Sensing the moment had arrived, I reared my hips back and loosed a dozen jets of thick cock clabber across her dark, puckered areolas, then wiped the last drops on her beaming face.

"What time do you get off?" I asked. No punch line was necessary.

As terrific a ride as Miranda proved to be, she cost me a bundle. My ex, angry that I'd made her wait while I renewed a friendship, found herself a lawyer and tore me a new asshole in our divorce settlement.

HUSTLER'S PRECIOUS PINK™ HUSTLER VIDEO BODY BUSINESS

WHEN SEX MEETS FASHION!

Some think that certain girls are too pretty for porn. HUSTLER proves those pussies wrong with Precious Pink. Director Patrick Handsome goes behind the scenes of the fashion world, where babes gorgeous enough to be on the cover of a fashion magazine slurp pricks then bend over and welcome the slobbery joints into their high-class shitters. Precious Pink delivers depraved stunners as skilled in the bedroom as they are on the runway. Covergirls who eat cum. Who could ask for anything more?

Also available...PRECIOUS PINK NO.2! (#PPV2 or #PPD2)

Hot Letters

Javier leaned his head back and pressed his mouth to Annette's clotted snatch. I whipped out his dick and jerked it feverishly.

(continued from page 104) menstrual cycles. My stepsister, Annette, moved in with me and my husband about a year ago, and every month her pads and my tampons start filling the wastebasket within a few hours of each other. Aside from our tidal sympathy, we aren't anything alike: Annette's a pale, dumpy platinum-blonde, and I'm lean and dark. You can tell I'm adopted.

Javier, my spouse, doesn't like to fuck me when I'm bleeding; so I spend my time on the rag jilling off to your magazine, using a nail brush to scrub the rust-colored residue off my fingers afterward. Since Annette moved in with us, she'd been sharing my HUSTLER purchase cycle. (I notice that a new issue appears every 28 days. Coincidence?) We often read it together, although Annette prefers to use toys to stir her own ruddy flow.

Most recently, we diddled ourselves over the June issue. The *Domenica and Tèo* pictures were very hot. Annette stripped down and threw a towel (beige, not white) over the ottoman. I laid my own menstrual tarp across the armchair. We were barely aware of each other, just staring at the beautiful people going all hard-core in the desert.

"Where's the fuckin' anal?" Annette growled as she painted her lucite dildo red with her cunt.

"I don't know, but check out that *cum* shot," I panted. "It dripped down and collected in her *asshole*, girl." I felt my coochie flutter around my first two fingers; just as I was experimentally inserting a third, Javier walked in.

I expected my straitlaced husband to disapprove of our porn-and-menses afternoon; I never knew he was aching for a threeway with me and my stepsister, or that he would overcome his squeamishness should the opportunity present itself.

Hubby stared at Annette's red-smeared dildo for a second and pitched a tent. Grinning evilly, he knelt next to the ottoman, removed the sullied faux dong from her twat with a wet snap and licked it like a popsicle. I almost swooned; when sis gasped, she spattered strawberry-colored syrup onto her towel. I moved to the floor and stroked the bulge in Javier's pants, extending my bloody left hand—the one with the wedding band—to his lips for a tongue-washing. I'd have preferred to be asked before we brought a third party into our lovemaking, but I was so turned-on I didn't much care.

While my hubby lapped menstrual fluid and cooter juice from between my fingers, Annette stood and rubbed his shoulders, grinding her gory hole into the back of his white shirt. I whipped out his dick and jerked it feverishly with my spit-soaked left hand.

Javier leaned his head back and pressed his mouth to Annette's clotted snatch. Not to be outdone, I dipped two digits into my twat and painted my initials on the front of his snowy button-down shirt.

As my stepsister rode the face I'd married, I lowered my open wound onto my husband's thick member. His dick plugged away at my raspberry-and-chocolate slit. Even so, I couldn't help feeling jealous that blondie's strawberry-vanilla pie was greasing his cheeks, commanding Javier's entire field of vision. I managed to convince myself that he had barely noticed me, despite the fact that his thrusting, rock-hard prong felt like it was going to split my bleeding hips apart.

To stay in the game, I grabbed my stepsister's head and kissed her slowly, with lots of tongue. I looked down and realized that Javier couldn't see around Annette's big, white ass, and besides, he was busy sucking the menses off her clit. Sis gave me a triumphant grin. I pulled her back to me, and we locked lips so noisily that my husband lifted her crack off his head to watch.

I swear I could feel my spouse's balls rumble as he saw our little lezzie show. Recognizing his ready-to-come expression, I shoved Annette away and kissed his bloodied face as Javier's load exploded into my swollen womb.

I'm extremely close to Annette, and of course I love my husband, but I don't think we'll be trying a threeway again. I'm just too jealous, and there are too many stains on my living-room carpet. At least Javier seems to have gotten over his aversion to fucking when I'm on the rag, but it's too soon to tell if the change is permanent. I'll write again in a month.

Heavies Petting Fat Fucks Party Hardy

(continued from page 76) turtlenecks and gold chains can barely contain their hysteria amid the porcelain.

"You seen Richie?" one *paisan* asks the others. "What about that girl he was with?"

Powdery snorts from a toilet stall are interrupted by gales of laughter.

Guido #2 pipes up, "Jeezis fuckin' Christ. You think he took that wildebeest out to the parking lot?"

More guffaws.

The third Camaro owner turns to me, tears and bloody snot dotting his convulsing face, and says, "This is the type of shit you come to and hope your friends never find out, right? Holy fuck!"

After they leave, I can't even muster whatever it might take to punch the wall. Their bombast strikes me as being akin to one set of Special Olympics athletes chuckling at their competitors for being a "bunch of retards." These sleazeballs make me want to vomit, but then a realization comes over me: Perhaps I'm no better than they are. At least they're having a good time. I wash my hands and return to the ballroom. I should have maybe waited an extra couple of minutes.

On the dance floor, one monstrous behemoth whose brown getup and flaming orange coif instantly invoke terrifying volcano imagery writhes as three sets of hands roam all over her. She is making out with a Ron Jeremy-resembling rocker dude who has shoeshine-black poodle hair and a cartoon Samurai on his petroleum-based shirt. From behind, a male-female couple (he, a Semitic dwarf; she, just one more leviathan) gyrates against Madame Mount St. Helens's hind parts. They lap each of her ear canals while groping the rolls that they likely presume to be her lactosacs. Then the two chicks start tongue-kissing. I can see where this is heading and look away.

Colleen comes to my momentary rescue. "Why so down?" she inquires. "You're staring at the carpet, for Chrissakes!"

"The meat pile on center stage there," I reply. "It scares me."

Colleen laughs. Then she does to me the one thing that I have prayed that no one would ever do to me since the very moment I set foot in my first kindergarten social activity. She "force-introduces" me. Specifically, Colleen latches onto the sweater of a girl who is walking by, spins her toward us and announces, "This is my friend Selwyn. He thinks you're cute, and he's very shy!"

The only reason I survive this sudden trauma is because the recipient of my compliment-by-proxy actually warrants the "cute" call. Enough. In this place. At this moment. She appears to have only one extra ass cheek. Plus she has long, dark hair, an ample bustline and a demonic-looking pentagram medallion around her neck.

On the dance floor, one monstrous behemoth writhes as three sets of hands roam all over her. From behind, a male-female couple gyrates against her hind parts.

"Don't be shy," she tells me. "My name is Belinda. Let's dance."

"Hi, I'm Selwyn," I respond as we move toward the boogie boards. "Do you worship Satan?"

"What?" she blanches. "Oh, the pentagram. No, I don't believe in Satan. I'm Wiccan."

Good Christ.

Belinda is also a registered nurse who lives with her sister in a suburban enclave of the Bronx. She likes drinking Coronas, smoking weed, going to Kid Rock concerts and Rangers hockey games and, above all, doting on her two cats and one dog. Few things can retract my testicles more powerfully than this woman's brand of existence.

As we dance, Belinda gabs a whole lot about her job, a little about her faith, and just enough about casual sex to keep me supplying her with frosty long-necks. Her sister, Rhiannon ("Like the song!"), eventually saunters up to us. The siblings speak volumes of nothing at a rapid pace. Yapping is in their blood.

Back at the table, Danny is directing a femme-Shrek to bury her face in the arrestingly expansive cleavage of Jabba the Hutt's twin sister, whose calculated fakeness pushes her into a freakish—and not entirely unerotic—hyper-reality. She has stuffed her store-bought, medicine-ball torso globes into a Wonderbra six cups too small. The rest of her mammoth curvature is crammed into a dress size that might even pose a struggle for TV's Will or Grace. Her fried-white mane flows amazingly into matching peroxide extensions, and she glows with a nuclear-tanning-salon complexion that deserves its own Surgeon General's warning.

Belinda distracts (continued on page 157)

"Jerome, Sylvia and I would love to meet the artist!"

Detroit, Michigan's Niki, 21, is a nursing student who enjoys school, dining out, movies, sex, giving and receiving oral pleasure, and role-playing. The Motor City muff longs "to have my girlfriend and boyfriend eat my pussy at the same time." *—Photo by Friend*

Isabelle of Louisville, Kentucky, is into sucking, fucking and licking pussy. The self-employed 21-year-old dreams of nailing "two girls—one sitting on my face and the other eating me." Sounds finger-licking good, Isabelle; the colonel would be proud. *—Photo by Friend*

Fort Lauderdale, Florida, is home to Michele, a gorgeous, 25-year-old oral hygienist. The Sunshine State cutie enjoys scuba diving, NASCAR and anything to do with the ocean. Michele's carnal goal was "to be in HUSTLER."
—Photo by Friend

Mystery babe Midnight hails from Minneapolis, Minnesota, and that's all the 18-year-old cutie is letting on. The limber lass is loose with her legs, but completely tight-lipped when it comes to her private life.
—Photo by Friend

Baytown, Texas, housewife Amber enjoys trips to the nude beach, cooking, traveling and sucking her husband's huge cock. The 29-year-old mother of four craves "a threesome with my husband and Craig Biggio at Enron Field."
—Photo by Husband

Missy, 25, of Harrisburg, Pennsylvania, digs shopping and having sex. The 25-year-old housewife's fantasy screw starts with "a massage, then being eaten out till I can't stand it anymore, then being fucked until I can't walk." —Photo by Husband

Tina Storm is really into fucking. The 42-year-old physical therapist from the Bahamas cites "sex, sex and sex" as her favorite pastimes. Not surprisingly, the single-minded Beaver fixates on the idea of "watching men jack off." —Photo by Husband

Tyler is a 49-year-old homemaker from Aurora, Ohio. The busty babe is into clubbing and nude sunbathing, and yearns to "have sex in a department-store dressing room." —Photo by Husband

DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

PRO+PLUS PILLS WILL WORK FOR YOU!
WE OFFER A 100% MONEY BACK GUARANTEE!!

No Pumps, Exercises or Prescription!
Doctor Approved Pill Will Enlarge Your Penis up to 4 Inches!

"This pill really works. I am now a harder 9 inches, which makes me feel good about myself. Besides wanting to be bigger, I always got soft to soon. Now that doesn't happen anymore. I'm hard like a rock from start to finish. I don't stop until she says 'you are terrific' and cums right along with me." -JS, Ohio

You Will Have These Penis Gains In A Few Weeks!

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpa cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on you part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if your not satisfied with an average or less then average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis wil 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis. Penis Enlargement up to 4 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- Stronger and more intense orgasms
- Stop premature ejaculations
- Safely enhance the size of your penis.

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger then 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger then that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

We Offer a **100% MONEY BACK GUARANTEE.** Do you trust buying penis enlargement pills from a pharmacy or drugstore or from our research company PLUS MEDICAL an International Company in business for over 30 years.

ATTRACTANT 1000+

PHEROMONE CONCENTRATE: Nature's Only Aphrodisiac

Pheromones are odorless chemicals secreted from the body that increase sexual attractiveness and are detected through the sense of smell. The February 16, 2002 issue of ***Time Magazine*** reported a landmark study conducted at the University of Chicago by Dr. Martha McClintock proving that pheromones played a major role in determining a woman's choice of a sexual partner and/or mate. Now, a revolutionary breakthrough in pheromone technology has propelled the science of sexual attraction to new unparalleled heights.

Attractant 1000+ is an unscented super-concentrated pheromone additive that experts in the field of biochemistry have labeled the most potent sexual attractant ever produced. Just a few drops of **Attractant 1000+** are up to a thousand times more powerful than normal pheromone secretion. *Discreetly add instant sex appeal to aftershave, cologne, or wear by itself.* Even the most beautiful and desirable women are powerless to resist the seductive allure of **Attractant 1000+.** You'll receive a full six month supply of extra-strength concentrate in each potent bottle, so there's never a need to recharge your credit card each month like some other companies do who use inferior, synthetic, watered-down pheromones. So why pay more when **Attractant 1000+** is absolutely the purest, most powerful and effective pheromone concentrate available at any price? Take advantage of the true chemistry of love and order a bottle of **Attractant 1000+** unscented pheromone concentrate today!

THE WORLD'S FINEST SEXUAL ENHANCEMENT PRODUCTS FOR MEN & WOMEN

Heavies Petting Fat Fucks Party Hardy

(continued from page 125) me by making noise about us "getting together" in the future. Fortunately, I am saved by an announcement from the disc jockey.

"We have a winner in the beads contest," he declares over the P.A. system. "Maddie from Port Chester collected the most beads tonight! Sixty-four pairs! Congratulations to Maddie! Come pick up your prize, which is a free-admission ticket to the Large Encounters Saint Paddy's Day bash to be held right here in this ballroom next month! Woo! Hoo!"

As the deejay segues into ABBA's "Dancing Queen," drunk, beaming Maddie holds court for a moment under a spotlight that makes her myriad strings of plasticine crap glimmer. She isn't entirely rough on the peepers though; she's kind of Monica Lewinskian.

"Could I have your phone number?" I ask Belinda as we take seats at a table next to Rhiannon and Colleen. Now is the time to put all those Mexican beers I poured into her to work. "I mean, so I can call you up and ask you out on a date sometime."

She blushes. I know I'll be scoring to third base before the drive home. I obtain her phone number and, in a moment of overkill, offer her mine, which she gladly takes. The slobbery make-out session commences four seconds later. Rhiannon and Colleen cheer us initially, then fall silent. All that can be heard are the sloshing sounds of their hungry mouths going at each other with the same ferocity that they would apply to devouring triple cheeseburgers.

A whirlwind of wet mouths and carb-fed limbs erupts over everything and everybody. I suck on Belinda's tongue, and then Rhiannon's. Rhiannon sloppily smooches Colleen's face while Belinda licks Colleen's nipple jewelry. This all transpires in the Holiday Inn ballroom, not far from where somebody has—nonbulimically, I presume—puked on a tablecloth. Danny jumps in and mouth-prods the two sisters, who come close to, but repeatedly veer away from, kissing each other.

Everyone is booze-addled, except for me. As the designated driver, I must brave this sordid encounter completely sober. The only high I achieve is from the guilt I feel about leading Belinda on. None of this is fun, just inevitable.

There is some more partner-swapping out in the parking lot, with Danny doing his Luciferian damnedest to convince Belinda and Rhiannon to crash back at his and Colleen's place. I am just gearing up to drive everyone home when Maddie, the award-winning collector of thrift-store laurels, happens past us.

The Queen of All Beads is quite high-ball-polluted and more or less being carried by the posse of pompadours who managed to offend me in the men's room.

"You never gave me your beads," she slurs at me.

Maddie tears down the front of her frock, and out pop two shockingly buoyant baby-feeders. With my trained eye, I deduce that she is no older than 19, and very likely younger.

"You never held up your end of the deal," I answer.

With that, she tears down the front of her frock, and out pop two shockingly buoyant baby-feeders. With my trained eye, I deduce from the gravity-mocking level of her knockers that Maddie could not possibly be older than 19, and she could very likely be even younger.

"How you like me now?" she yells.

"Lots!" I yell back, and toss her my beads, which land on the pavement.

The Guidos load Maddie into the back of a dark SUV with tinted windows, but they don't drive off. The car just sits there. There is no need for us to stick around for when it starts a-rockin'.

"You'll call me?" Belinda asks, as it appears, finally, that we are parting.

"I'll call you every name in the book," I joke, avoiding the admission that I'll never dial her phone number.

With Belinda gone, my ordeal is finally over. Fifteen bucks admission, another 20 dropped on Coronas and a trip to far-off Westchester later, what have I learned? Nothing I didn't know going in.

There's no brilliant, Russ Meyer Amazon out there itching to become Mrs. Me—especially not at a fucking lard-ass limbo contest like the one I've just suffered through.

Still, like the gambler who's convinced he can score one last jackpot and walk away from the table, or the smoker who's buying his "final" pack, I'll be back for more humiliation and disappointment. I'm an addict, a "fathead," and I'm not alone.

This latest revelation has me pondering just how nimble-minded the fat fucks behind Large Encounters Inc. must really be.

Coming Next Month in HUSTLER

Flurries of Flesh

Get snowed in by snizz when the ladies of HUSTLER's December issue blanket the land with pink. A reclusive brunette closes the blinds and opens her pussy flaps just for you. An exotic tramp hitches a ride with a hot-rodder who puts her ginch in gear. A spicy Latina goes completely loco for a very twisted dildo. A sultry siren buffs fine leather furniture using her juicy slit, and a lean blonde hungers for meat to fill her hole. Come in from the cold with the hotties of December's HUSTLER.

Brainwashed Fuckbots

Among the many indignities that sex slaves must endure, few would guess they include waving an American flag with one's rectum for President Gerald Ford. However, according to a growing number of Americans claiming to be victims of a secret, government-run sex network called Project Monarch, such depravities, and far worse, are commonplace. Although some self-professed erotic servants for the nation's power elite are clearly delusional, HUSTLER found similarities in the alleged carnal servants' stories that refuse to be explained away. Think you know how low your government can go? Read December's feature and decide for yourself.

Comparing Cunts

All of the countless sex toys modeled on snatches of porn stars claim that their product "feels real," but how many jizz queens would actually undergo a side-by-side comparison of their own privates with their synthetic doppelgängers? After an exhaustive search, we found one: Jewel De'Nyle. Don't miss this photo-illustrated feature as intrepid HUSTLER reporter Scott Fayner's penis tests the "sensual pleasure nubs" of De'Nyle's gynecological effigy and contrasts the experience with the real thing. Can a blindfolded Fayner tell the difference? Find out in the exclusive consumer report that only HUSTLER can bring you.

Gonad Warming

Join us for a penetrating study in Arctic drilling options in the latest edition of *Bits & Pieces*. *Erotic Entertainment* takes on an avalanche of sleaze and digs out the finest filth for your porn dollar. In *Dear Slut*, our resident sage of sin, Jeanna Fine, advises on how to keep the heat going throughout the winter months. Local amateurs raise temperatures by shedding their winter coats in *Beaver Hunt*. Be sure to catch the frost-fighting foxes in December's HUSTLER, or risk a chilly case of blueballs.
